SABLEWOOD
AT HIGHVIEW SPRINGS

Welcome to The Sablewood

We welcome you to celebrate your most precious moments here. Our lovingly restored circa 1870s barn is surrounded by 80 acres of serene mountain vistas, a centuries-old oak tree, lush fields and evenings under huge star-filled night skies. Our meticulous renovation of The Sablewood has maintained the original character while updating with modern essentials for year round comfort. Your special day should be just as you imagine. We are here to work with you every step of the way to help create your unique and unforgettable celebration.

The Sablewood

The Sablewood is truly unique among an ever growing number of event spaces. Inside ambient light floods The Sablewood making it a photographer's dream. The warm wood walls soar an impressive three stories high to a 40' peak. 150 years of artisan craftsmanship surround you from the impressive framing architecture to the breathtaking 1920s crystal chandelier and every detail of handcrafted custom lighting, hardware, and carpentry. As the sun sets the candle lights glow and the barn takes on a magical feel. This place was here long before us and we have attended to every painstaking detail to ensure its rugged post & beam structure will stand for hundreds of years to come.

*You get the best of both worlds - natural beauty
with year-round comfort & accessibility.*

We host stunning weddings year-round, taking advantage of each beautiful season upstate New York offers. During the warm weather months most couples choose our quaint outdoor ceremony location facing the mountain followed by outdoor cocktails. The Sablewood has been designed with the versatility of giant barn doors that can be opened and closed to create separate spaces between ceremony and cocktail hour. Full climate control ensures guests are kept cool in the heat of summer and toasty warm in the winter months. Your event includes private use of the barn and the grounds. We will be there in the background keeping everything meticulously maintained to display the timeless beauty of this historic property.

"In the simplest of terms, the farm and surrounding property are magnificent..." - Alyssa G.
