**\*Travel cost not included.** Travel costs, depending on location, can include time, tolls, parking, etc. These fees will always be explained and agreed upon beforehand. We are based in central Long Island so travel fees are applicable for NYC, upstate New York, and weekend weddings in high traffic areas (Hamptons, Montauk, Orient Point, etc.)

P.A. system is available for rent for the ceremony for an additional \$100.

I am licensed in NYC (Officiant #1112795). Never use an officiant in NYC without verifying that they have a license!!!!

*I believe our pricing to not only be competitive but a great value for what you will receive. Please also note that we will always consider a price negotiation if you are a lower income couple and you truly believe that you need assistance. Jim.....*
