## Wedding Pricing Information

### Family Style

This option creates an interactive family experience by placing platters on individual tables and allowing guests to build their own plate. Family style meals are a fun less expensive way to provide your guests with a fabulous dining experience. This option comes with 2-3 protein choices, vegetable, starch, bread and salad choices. Starts at \$17.50 pp.

### Plated Dinner

The plated dinner gives you the option to spoil your guests by bringing them a classic wedding style of catering. Servers will serve all guests at once thus allowing a timely end to dinner. This option includes guests to have a choice between 2 proteins, vegetable, starch and bread option with a head count for each protein needed at least one month in advance. Starts at \$21.50 pp

### Buffet

This option is a standard wedding option and offers the guests a relaxed environment while letting our staff cater to you. A buffet line is established in a corner of the room while staff dish out 2-3 proteins, a vegetable, starch, bread option and salad. Starts at \$25.00pp.

### Elevated Plated Dinner

This option is a 3 course dinner delivered to each of your guests. The chef driven meal will give your guests the ultimate experience of elegance and refinement. This option includes an appetizer, a salad or soup, and a entree. The Chef will create a menu based off your desires but will work closely with you to create a cohesive menu. A grazing table would be a perfect addition to this service to help transition from the ceremony to first course and is available for an additional fee. Starts at \$30 pp

All options base prices include elegant disposable plates, silverware, and napkins. Real plates and silverware available for an additional cost.
