

We offer 4 styles and will be launching a local board exclusive to New England in the next few months:

- **Gone Graze Platter** - ***Our signature Style*** is bursting with a variety of cured meats, cheeses, colorful fruits and vegetables, with a touch of something sweet.
- **Keto Platter** - This platter gives you more of the protein elements and less of the carb and sugar components found in our other platters.
- **Vegetarian Platter** - All the goodness of the classic Gone Graze without the meat. This tasty and beautiful creation provides an array of in-season raw crudites beautifully arranged with delicious dips.
- **Sweet & Graze** - ***Our dessert platter*** contains an abundance of gourmet chocolates made specifically for our brand, farm fresh fruits and baked goods that feature an assortment of traditional sweets.
