The "FOMO" Edit

Fear Of Missing Out on all of the little moments throughout your wedding day? We're happy to offer our "FOMO" edit, which is essentially a 3-4 hour video of everything we shot that day. In other words - a glorified Home Video Edit of your special day. We take all of the footage we shot from the entire day, and place it in our Editing Timeline chronologically, and deliver to you. We'll remove horribly shaky or duplicated shots. Film will not be colored or include background music. Delivered separately from your final Wedding Film.
