## **Our Feel and Vibe**

We are a large, beautiful campground with both indoor and outdoor spaces to be used. We have done many themed weddings as well as more traditional outdoor, wooded, enchanted and rustic themes. We specialize in helping you facilitate a “fun” wedding, and we give you multiple days to help you feel more relaxed. Couples spend a lot of money on their weddings, so we want you to get the most you can out of the event and create lasting memories!

## **Availability**

- For weekend packages a couple usually needs to book at least a year in advance.
- For weekday packages availability can often be found sooner.

The following link will bring you to our schedule where you can check our availability in real time: <https://www.camp-sacajawea.com/calendar>

## **Pricing**

Our pricing is extremely simple, transparent and accessible to you with no hassle.

<https://www.camp-sacajawea.com/wedding-info>

Pricing is a simple and flat fee. No taxes, gratuities or hidden fees to add. Each month has its own cost ranging between 5k to 12k. Weekday wedding packages are half off!

## Weekday Wedding Packages

Weekday weddings are becoming much more frequent and normal. We book over a dozen weekday weddings each year and these weddings are exactly the same in quality and attendance as the weekend weddings that we see. A notice of six months is usually more than sufficient time in advance for friends and family to ask for the day off from work.

- Weekday packages cost 50% less, which saves you between 3k to 6k!
- Weekday packages tend to have more availability options than weekend packages.
- Weekday packages are either Monday to Wed or Tues to Thurs.
- You get the exact same quality from us as weekend weddings

## Magical Winter Wedding Special

We have a special deal for smaller winter weddings (Dec to March) that come in at under fifty guests. The venue fee for this special is \$4000.00. For this special we also offer the add-on option of having us provide a medieval banquet with mead for your guests for an additional \$3000.00. The entire wedding, ceremony and reception takes place in our highly atmospheric tavern.
