***Testimonial** - "Hosting our wedding at the Mystic Marriott was the best decision for so many reasons – it is beautiful, classy, affordable, and easy to plan everything in one place – but mostly because of Amanda Toner. Amanda is the Sales Manager and Day-of Coordinator, but I think of her as our wedding Fairy Godmother. So many other venues had many strict rules, hidden costs, and a stiff demeanor, but from the moment we walked into the Mystic Marriott, Amanda made the experience warm, easy, and fun. She said yes to everything we asked, allowing us to add our own special touches to the experience, and working with us regularly for more than a year to make our wedding even better than we could have imagined. Her attention to detail is impeccable; on our wedding weekend, I kept noticing little ways that she made every single thing look beautiful, and she makes it seem effortless. Amanda has so much heart for her work and the couples and families she works with, and it shows. We already miss her! I can't imagine our wedding without her as our partner in planning. The staff at the Mystic Marriott is equally lovely. They treated us with kindness and special attention each time we visited, and on our wedding weekend, they made us feel like royalty and made our guests feel welcome and cared for. We are so grateful for their hard work in making it the wedding of our dreams. We knew we wanted to host the wedding in a hotel so our 230 guests could head to bed whenever they were ready, and so we didn't need to worry about transportation. The Mystic Marriott gave us that convenience and so much more. We hosted our welcome reception in the lobby, offering our guests pink champagne and an ice cream sundae bar, then hosted our ceremony in the Mystic Ballroom and our reception in the Marriott Ballroom. Our cocktail hour was outside on the Octagon Patio, and our after-party was in the Octagon bar. What a luxury to have everything in one place, but with so many different and beautiful settings. The food here is also incredible! Our guests are still raving about the mashed potato bar, pistachio crusted salmon, and our specialty cocktails. We absolutely recommend hosting your wedding here! They will make your wedding feel like the best dream you've ever had."*

*Testimonial- “Amanda + the entire team at the Mystic Marriott are the ABSOLUTE BEST!! They made our wedding truly a dream come true! We had 22 people in our wedding party (including bride + groom) and 275+ guests, so needless to say we had a pretty big celebration. Amanda made the entire process so easy right from the beginning. She's extremely knowledgeable, organized and down to earth, which helped make everything run smoothly. She answered questions quickly and was always there to give advice. We're from MA, so coordinating everything in CT was a challenge but Amanda made it so easy! On our actual wedding day, the entire hotel was ready to go. The food....OUT OF THIS WORLD!! Each meal was of 5 star quality and the presentation was perfect. They went above and beyond to make sure our day was perfect and I can honestly say it was; our guests are still talking about it!! Amanda also worked very well with each of our vendors and accommodated each one. I HIGHLY recommend the Mystic Marriott Hotel & Spa, all your wedding worries will be COMPLETELY taken care of with this team - before, during and after! Thank you again Amanda!!” – Brittany – Happily Married July 2016*
