Depending where you are at in your planning process will determine at what point we will begin. We help guide you to discover what it is you are looking for. We will listen to you and create a breathtaking event while you sit back and relax. We want our clients to feel taken care of. Your event is in safe hands.

This package includes:

- I will **tour the venue** with the couple once they have chosen their location, and I offer my assistance in creating a perfect floor plan for the space available.
- With the couple, I will **create a detailed timeline** for the wedding day that will include the set up, vendors arrivals, ceremony, reception, vendors exits, and clean up.
- There will be **a consultation** with our design team to go over any special details or any concerns the couple has with the timeline, so that when the day comes, everything runs smoothly.
- Additionally, we will take over all communication with the vendors **one week** before the wedding, allowing the couple to relax before the big day.
- My team and I will be there for the **wedding rehearsal** and to brief the couple and the wedding party on the timeline for the next 24 hours. (I will be available for up to 2 hours)

- Lastly, you have my team and I for **12 hours on the wedding day** itself! We will be there to coordinate setup, ceremony, reception, and clean up according to the timeline we had previously discussed.
