

Jay! You're  
Here!

Hello Beautiful!

Thanks for stopping in! Pricing when it comes to florals is TOUGH to have a "copy/paste" solution! I offer custom pricing through a questionnaire system, which provides insight into your vision while giving me all the details I need! Full-service weddings start at around \$3,000.00 and go up from there! The average I am seeing is \$4,500.00-\$10,000.00 for all the needs + some! I know this seems scary, but I am here to break it down for you so you don't pay for anything you do not need!

Coordination starting at \$1,250.00 for brides who book both florals and coordination!

I am so excited to start this journey together! LET'S DO THIS WEDDING THING!!!
