## KINSEY

### Owner/Designer

Kinsey is a Denver native who unveiled her love for event planning while obtaining her degree in Musical Theatre from the Santa Fe University of Art and Design. After an injury that made a career in Musical Theatre impractical, Kinsey found Minuet, owner of Magnolia Events based in New Mexico. Minuet took Kinsey under her wing, and from there, Kinsey's inspiration soared. Kinsey has now worked in the industry for 7 years planning, weddings, festivals, conferences, and non-profit events. Kinsey feels incredibly lucky to have fallen in love with another creative, passionate, and exciting career. With her company constantly expanding Kinsey has traveled across the southwest planning and designing events specific to every client.

## EMILY + TREVOR

October 15th, 2021 | Sante Fe, NM

---

"Right as Rayne (specifically Kinsey) was everything that we hoped for in a wedding planner! Completely reduced our stress and brought up pieces that we hadn't previously considered. Everything went so smoothly and as planned. We couldn't be more grateful for their professionalism and support!"

## RICKI + WESTON

September 23rd, 2021 | Sante Fe, NM

---

"Using Micaela with Right as Rayne Events in New Mexico was such a blast! She was incredibly professional, helpful, and willing to pull out all the stops to help make our wedding unique and special. She worked with my husband's and my (sometimes weird) ideas, and laughed with us the whole time. It was so great to have her as a coordinator because she let us have the freedom that we had desired with our small wedding, but was there with support and ideas when we needed it. Everything ran smoothly and like clockwork, and because of her help we were able to truly enjoy the day and not feel stressed whatsoever! From what I've heard, a stress-free wedding day is pretty dang rare, but Micaela and Right as Rayne made it possible for us. We highly recommend their services, and if you're located in New Mexico, definitely reach out to Micaela!"

## MELISSA + CAMERON

Micaela was the best coordinator we could have asked for! She made the day run so smoothly and paid attention to every detail. Having a coordinator lifted such a weight off our shoulders. I would definitely recommend Right as Rayne!"
