WEDDINGS WITH A VIEW

Nestled at the base of Sugarloaf Mountain in the Mayacamas, Landmark Vineyards epitomizes the rustic grace and beauty for which Sonoma County is known. In 1974, Damaris Deere Ford, a member of the iconic John Deere family, founded Landmark Vineyards in Sonoma County. As a female wine pioneer, Damaris carried on the family's legacy of agriculture through viticulture and winemaking.

Landmark Vineyards is a hidden jewel, offering a breathtaking back drop and handcrafted premium wines, perfect for your special day.
