## Bio

Kendra Glass is a DC native with a passion for traveling, music and hosting private events for family and friends. In 2016, she decided to take a leap and combine her love of laughter, food, music, and creating specialty drinks by establishing a mobile bartending business called "Cheers2You!" She started out small by providing bartending services at family and friends birthday parties. Her bubbly personality and contagious smile mixed with signature drinks has been a huge hit around the DMV area.

She is known for creating a fun and friendly atmosphere at any event no matter the size. Her love of providing a personalized mixology experience has expanded to holiday drink specials, merchandise, and hosting large private events. She stands by her motto "There's a Drink for Every Occasion."
