Glossary

Pin Up: A vintage style reminiscent of the 1940's- 1950's, including the styling of hair, make up, and clothing of the classic American era.

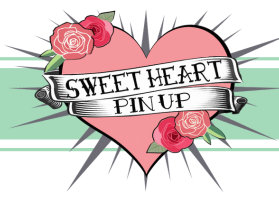

Boudoir: The style of photo as well as the style of hair, make up, and wardrobe that is modern, stylish, feminine, and tastefully sexy.

Wardrobe: Clothing, shoes, and accessories you wear for your shoot. It can be something you bring or something you borrow from our studio collection.

Styling: How we do your hair, make up, and help you choose the most flattering wardrobe for you in that style.

Set: Is the set or backdrop we decide for you to pose in for your photo shoot. It could be on location outside of the studio.

Edits: How many photos we edit and put in your online gallery for you to view and purchase whenever you desire.
