FREQUENTLY ASKED QUESTIONS

01

WILL I STILL HAVE CONTROL OVER THE PLANNING OF THE WEDDING?

Yes, we work on us much or as little as you'd like!

02

WHAT IF I DON'T LIKE SOMETHING YOU SUGGEST?

We are only here to offer our advice to you. You do not have to take it. However, we will always review what any ideas or suggestions might look in a best case/worst case scenario.

03

THIS SEEMS EXPENSIVE AND WE DIDN'T BUDGET FOR A PLANNER?

The average couple spends 300 hours planning their wedding day. I tell every couple "You either have the time or you have the money". If you've got all the time in the world and a team of friends and family helping, then maybe you don't need a planner. Otherwise, a wedding planner saves you SO much in time, stress and worry that EVERY single client (we've had well over 400) said that it was worth EVERY penny!

04

WHAT SHOULD WE EXPECT FROM AEP?

Our #1 goal is to making planning as FUN as possible. We will keep you organized, on time and informed. We will respond quickly and will be available the entire weekend of your wedding, just in case of emergencies. We know the best vendors or venues and can always provide you with good advice from parent drama to vendor complications.
