### CAN YOU TALK A LITTLE MORE ABOUT YOUR SHOOTING STYLE?

The number one element that makes us stand out from other studios, is the fact that we create each film from scratch for each of our couples. By creating films specifically catered to each couple, when you watch our work, you'll find yourself either very engaged in a film or not at all - and because your taste is unique to you, this means we are doing our job well.

### DO YOU HAVE BACKUP GEAR?

Yes. We always have multiple camera bodies, a number of lenses, and more memory cards than we need at all weddings. We film on a verity of Canon DSLR cameras and lenses. We also use Aerial Drones and Ronin stabilizers.

### DO YOU HAVE A BACKUP VIDEOGRAPHER?

We do. Our team is comprised of professionals from all over the world.
