THE WEDDING EXPERIENCE

WE POLLED HUNDREDS OF BRIDES

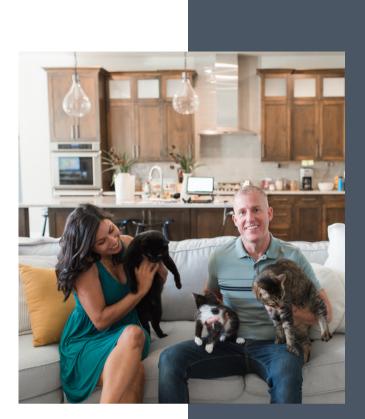

AND THIS WAS THEIR GREATEST FEAR:

"What if I don't love my photos? I only have one chance at this!"

It's a valid fear. You can't re-do your wedding day! So, is it possible to be able to enjoy your wedding day, knowing for certain that you are going to love your images when all is said and done? Well, after over six years photographing beautiful weddings for amazing TRP Couples, I can tell you that the answer to that question is "Yes." You can know for sure that you're in good hands... but it requires more than just booking a vendor. Keep reading to find out what how!

Welcome! I'm Tina and I believe this is the beginning of something good!

I believe that wedding photography is done best when couples have a relationship with their photographer and fully trust them. This is how we have guaranteed and delivered incredible photography experiences to our TRP Couples in the past 6+ years! When I arrive on a wedding day, I need to feel like an old friend and not like a stranger. This affects every aspect of how your photos will turn out! Keep reading to get to know me and learn more about who I am beyond the camera.

This is what you need to know...

I'm a photographer, but I'm also a wife, cat mom, sister and someone who truly believe's God's given me this job because it allows my creative gift and passion to have purpose!

MY WHY | IT'S MORE THAN JUST A JOB

MEMORIES

I believe that beautiful moments should be captured, treasured, and kept forever! As a photographer I want to capture your "I-do" ,your moments that matter, so that 10-20-40+ years from now, you can look back on and reminisce like I do.

MARRIAGE

I believe marriage and deep relationships are some of life's greatest gifts! I know that my role in my TRP Couple's lives is not only to deliver a beautiful final gallery but to be a supporter and encourager for their new marriage!

HELP OTHERS

I believe my photography business exists to not only serve our TRP Couples every year but other small business owner's and newbie photographers! It's a joy to teach others to do what I love!

Isaac is my husband, my ride or die, and my calm in the midst of a storm! we've been married 17 years

We have three precious kitty's here on earth.

FRODO, ZEEK, & BABY TUX

I love decorating, he loves technology! give me some pottery barn and west elm & him an apple store

We're both outgoing introverts but he's definitely more of the outgoing type.

I started this business when Isaac suggested I purchase a professional camera and never looked back! THIS TRULY IS THE JOB OF MY DREAMS!

A PROUD MEMBER OF:

"Tina was absolutely amazing! Her work is high quality and professional, plus she's so fun to work with which is a bonus. I had both my engagement and wedding photos done with her and I am obsessed with them all. She is worth every penny!"

-CAITLIN + ANDRES

MY PROMISE

YOU KNOW YOU WANT GREAT IMAGES ...

But what you may not realize is that you need a great experience with your photographer more than anything! That is exactly what I promise to give you. Over and over and over again, TRP Couples rave about their experience almost more than their images! Why? Because in order to get those natural, genuine portraits that truly capture who you are, you have to feel comfortable with the person taking them. The way you feel while you are having your portraits taken heavily influences how you feel when you see yourself in the final images. I have worked with many TRP Couples over the last 6+years and I can honestly say it is 100% possible to love how you look in your images if you feel comfortable while having them taken! Creating comfortable, joyful and genuine client experiences is what I specialize in and I am excited to share more about what the TRP Experience includes!

THE EXPERIENCE

What is included in ALL our wedding experience collections and why:

I have structured my wedding experience very intentionally. Everything I offer and recommend is a strategic part of an overall experience that leads to what my TRP Couples ultimately desire: genuine, timeless and joyful images. My most intentional aspects of the TRP Wedding Experience include:

8 HOUR MINIMUM	I have found that for a traditional wedding day, I need a minimum of 8 hours to capture the full story of your day with a stress-free timeline.	ALL DIGITAL FILES	I include all edited high resolution digital photos from both your engagement and wedding day for you to download and use as you please. That's right no in-person sales, or trying to upsell.
complimentary E N G A G E M E N T S E S S I O N	I include an engagement session complimentary because this is my opportunity to get to know you and empower you to feel comfortable in front of the camera.	ONLINE GALLERY + MOBILE APP	All photos from both your engagement and wedding will be uploaded to an online gallery and mobile app where you can print, download, and share with family and friends!.
SECOND PHOTOG	A second photographer is a non-negotiable part of my wedding experience! A second wedding photographer is someone who works alongside me to photograph different angles, separate locations, and assist with logistics of wedding day photography.	UP TO 60 MILES	All packages come with a 20% off TRP code to purchase prints + products in your gallery! I include up to 60 miles of travel for each the engagement session and wedding day.

Envision this....

Your wedding has happened. It was beautiful and everything you dreamed it would be. Instead of just downloading your images to your hard drive and sharing a link with your family and friends, you take it a step further and you invested in a family heirloom keepsake that tells the story of the day you began your life together as husband and wife. Your wedding is literally the begin- ning of your new family unit! Now, try to fast forward even further and envision yourself sitting in your future living room with your future four year old and he/she is asking questions about when you got married. You look at them and say, "Hold on one minute, ok?" and you grab your legacy album. As you flip through the pages, half of the album in your lap and the other half in theirs.... your child notices aunts, uncles and grandparents celebrating with you on your wedding day. Legacy albums aren't for you, they are for those that come after you. What a beautiful gift to hand down to future generations!

Frequently asked questions:

WHAT IS MY SHOOTING STYLE?

I love being both interactive and discrete throughout the wedding day. There will be parts of the wedding day when I will need to be in control in order to accomplish everything that needs to be done in order to keep everyone on schedule. There will also be moments when you shouldn't even know that I'm there. (The ceremony, during dances and toasts, etc.) I teach our couples how to pose and interact during their engagement session so they are naturals on the wedding day and don't need quite as much instruction from me!

ENGAGEMENT TRAVEL?

I am more than willing to travel for engagement sessions! I actually love it when my couples ask me to photograph them in a location that means something special to them! I book engagement sessions at least three months in advance and include 60 miles of travel.

WHEN CAN I EXPECT MY PICTURES BACK?

When editing your images, I put a lot of time and love into each and every image! I make sure the edit on your images are consistent throughout your entire session. Portrait sessions are 3-4 weeks. Weddings are 10 weeks or less. Please know I also work hard to get your images back to you as soon as possible. For your wedding day, you'll receive a sneak peek of a few images to help you hang in there but have something exciting to look forward to!

CAN I SEE A FULL WEDDING GALLERY?

Um....Of course! I'd love to show you a full wedding gallery! Email me and I'm happy to send you a few to look at!

Frequently asked questions:

DO YOU TRAVEL FOR WEDDINGS?

Yes!! I love to travel!!!

WHAT DOES YOUR GALLERY PRICING LOOK LIKE?

For both your engagement and wedding you are able to order professional prints online through your gallery. These prints are created at a professional photo lab on high-end photo paper that will not change color over time and that promises color accuracy. I highly recommend printing through your online gallery rather than downloading your images and having them printed elsewhere. If you were to have your images printed at Costco, Target, Walmart, etc.... I cannot guarantee that your colors and skin tones will be accurate. Plus, when you order prints via the gallery, they will be shipped directly to your home! Below are sample's of gallery pricing (*more size options available in gallery*):

- PRINTS 4x6 | \$2 5x7 | \$3 8x10 | \$4 16z24 | \$42 20x20 | \$43

JACOB + MARIE

"I cannot say enough amazing things about Tina! She has been an absolute dream! She really cares about her clients and is incredibly friendly! My now husband HATES having his picture taken and was somewhat dreading our engagement session. Tina made him feel so relaxed and at ease. She is truly a miracle worker! " -Marie

Thank You!

I'm so glad you contacted me! Enjoy this new season of engagement! Plan and prepare but always remember that when it's all said and done, all the food, the florals and the details will fade away. Once your the last song is played and you exit your reception, you'll begin your new chapter as husband and wife and you'll have your photos to remember the day it all began. Congratulations on your engagement and I look forward to hearing from you!

Xoxo, Tina
