The Carolina Club is a ClubCorp private business and social Club for Club Members, associate Club Members and their sponsored guests. DRESS CODE

"Upscale" Business casual dress is the appropriate attire in The Club's banquet facilities. Business casual is defined as collared shirt and dress slacks for gentlemen. Athletic attire, sneakers, t-shirts and shorts are not permitted.

PRIVATE DINING ROOM ASSIGNMENT & RENTAL

Sponsored guests are charged a guest fee based on room size. The Club reserves the right to relocate events according to the guaranteed number of attendees if it varies significantly from the original proposed number. The event should not exceed the stated times listed on the function sheet.

FOOD AND BEVERAGE SELECTIONS

Our menus are general guidelines that The Carolina Club uses to prepare your special event. Our Executive Chef will gladly design a custom menu for your event based on any dietary, religious or cultural needs you may have. The Carolina Club does not allow food or beverage of any kind to be brought onto or taken off of Club premises, with the exception of specialty cakes.

BEVERAGE CONSUMPTION

Alcoholic beverages cannot be brought into the Club from outside sources. The North Carolina Department of Alcoholic Beverage Control regulates alcoholic beverages, and The Carolina Club is responsible for the administration of these regulations. The Club reserves the right to discontinue service at our discretion.

FOOD AND BEVERAGE MINIMUMS

A minimum food and beverage requirement is established for each catered event based on specific dates, guest count and event times. A food and beverage minimum is met by food and beverage costs only. Our Private Events Director will be happy to discuss these minimums with you.

SERVICE CHARGE & SALES TAX

All food and beverage purchases are subject to a 7.5% Sales Tax and an automatic 20% Service Charge, a portion of which may be distributed by the Club to certain food and beverage service employees. The Service Charge is not a tip or gratuity. Our packages include this service charge and tax in the quoted price.

COORDINATION

An approved Professional Wedding Coordinator is required to direct your wedding ceremony and stay for the duration of the event. We can provide you with referrals, but do not require that you select from an approved list. In order to provide you with the best service possible, your professional wedding coordinator cannot be a guest of the wedding or a family member.
