

Customized Bridal Packages

At Forest Moon Collective, we've simplified the booking experience. We do not discriminate services per person by role (bride, bridesmaid, etc). We offer flat rate pricing for each member of your bridal party. We also offer a flat hourly rate in the case you need touch-ups for your entire day! Whatever the needs, we have a custom package for you.

We offer all-inclusive pricing, so no add ons or up-charges. Airbrush makeup and strip lashes are optional and included at no additional cost.

Each bride will receive a custom V&V Bridal Box that includes a skincare regimen, optional custom made press-on nails, a manicure kit, and a wedding day emergency bag. On the day of, everyone receiving services will get a touch up kit complete with a sample of lip color they chose with an applicator.

We can be mobile, or we can offer services in our beautiful salon location nested in the Benton Harbor arts' district!

Want to book a trial? These are scheduled the exact same way with same pricing as your main event. You have the option of mobile or in-salon with your trials too!
