THE FASTEST, EASIEST WAY TO EARN FREE FOOD

The Cafe Rio app works for catering rewards customers, too.

In fact, it works just the same as when you buy a meal at the restaurant. You'll earn 1 point for every dollar you spend; every 100 points will unlock a \$10 reward! You can even be a hero and share your rewards with family, friends, co-workers. You have the power. It doesn't get any better than that.

Picking up your catering meal at the restaurant? Awesome!

Scan your app at the register to immediately get all the points for your order. Having it delivered? No problem. Open your app, click "earn", then click "scan receipt barcode" to scan the barcode at the bottom of your catering receipt. You can even type in the barcode number from the receipt. No matter how you do it, Amigo, the points are yours.

AVAILABLE FOR:
IOS & ANDROID OS

STEP 1: Download the app.

STEP 2: Use the app every time you make a purchase.

STEP 3: Earn free food. Unlock \$10 for every 100 points you get. It's that easy.
