

Short, Sweet & Married

FOR COUPLES WANTING TO TIE THE KNOT IN 2022!

Love is meant to be celebrated and prioritized. We are now big believers in the “Why Wait?” mantra because you never know what may unexpectedly pop up (cough, cough: a pandemic). The past two years have taught us that living in the moment and spending quality time with loved ones is more precious than ever...so why wait another year or two to say “I do” to the love of your life?

At Fairmont Copley Plaza, we make it easy to get married in a hurry. Our “Short, Sweet & Married” package offers couples a chance to host their ceremony and reception on an available Saturday this year. You read that right, we can make your dream ballroom wedding happen in 2022!

From reduced ceremony fees and food & beverage minimums, to complimentary champagne toasts and overnight Suites, let us create an event entirely unique to you—with some fantastic discounts included.

Why wait to get in touch? Email us at RJP-COP@Fairmont.com to start planning!
