Wedding Videography Price Guide

Package 1: Basic - \$950

This package focuses on filming the wedding ceremony and reception/dance. It does not include filming the getting ready part of the wedding day (hair, make-up, first look, etc.).

Package 1 includes:

1. Two HD professional cameras used filming footage of the wedding ceremony from two different angles. An edited video of the ceremony mixing the two cameras will be provided.
2. Filming of the reception and dance. This will include wedding party entrance, cake cutting, first dances, toasts, and all other activities that the client and Video Solutions agrees to. The client will receive an edited video of the reception/dance.
3. The client will receive a 3-4 minute edited highlight video of the wedding day. The client can select the music to be used for this music video.
4. The client will receive an usb thumb drive of all the edited videos within 2 weeks of the wedding day. Upon request, all raw footage can be provided as well.
5. DVD's can be provided and will cost \$10 each in addition to original package cost.

Package 2: Most Popular - \$1,450

This package includes all of the services provided in package 1 plus the items below:

1. This package offers filming of the wedding couple getting ready earlier in the day. This includes hair and make-up and showing the process of the wedding party getting ready for the big day.
2. Filming of the first look and creative shots of bride and groom prior to the wedding.
3. Other creative shots will be included in this package. (Sunset, walking and holding hands, and many other creative shots. (These shots will be discussed and confirmed prior to the wedding day.)
4. Two 3-4 minute highlight videos will be included in this package. One of the highlight videos is edited with a slow tempo song selected by the client, which focuses on the romantic footage of the day. The other highlight video will use a faster, up-tempo song with the fun footage of the day. (These highlight music videos are a great way to share your special day with family and friends on social media after the wedding.)
5. Package 2 will provide client with an usb drive of all edited and raw footage of the wedding day.

Package 3: Premium - \$1,950

This package includes all of the services provided in package 1 & 2 plus the additional items below:

1. A pre-produced video segment of the couple before the wedding. This video is like an engagement video that couples can share with family and friends before the wedding. (Video includes interviews with the couple, footage of the couple doing various things together).
2. This package includes a second camera person. This allows for more footage of the special day and some unique camera angles.
3. This package is much more cinematic and creative. Special effects will be used in the music videos and the producer will work with wedding couple on special footage.
4. The couple will receive edited videos and raw footage no later than 2 weeks after the wedding day.
5. Finally, social media will be provided for distribution of all edited videos upon request of the couple.
