

STRMBREAKER

Whether yours is a large, luxury wedding or a simple, intimate one, my coaching services will fit your budget.

Packages are custom designed, tailored to your needs and wishes.

Components can include individual or couple sessions, addressing specific issues as they happen, or concierge support during the scope of your wedding journey.

When we talk during the initial consultation session, we analyze the best way for us to work together and determine the pricing from there.

Message me here at The Knot today to set up our time together!
