

WATERFRONT WEDDINGS at CHEQUESSETT

Over the years, many couples have discovered Chequessett as the ideal location to have a true "Cape Style" wedding. Maybe that's because Chequessett is as welcoming and laid back as the Cape Codders who call this club their "home away from home". If you seek a relaxed waterfront setting to host your next function, whether it be a wedding, commitment ceremony, reception, rehearsal dinner, anniversary or private party, Chequessett is the place for you!

Our working boathouse, clubhouse and private bayside beach are all available for special events. At the clubhouse, the spacious 1,800 square foot deck is tented and overlooks the 9th hole of the golf course, while the main dining room features exposed beams, high ceilings, newly finished hardwood floors, a large decorative fireplace and spectacular views of Wellfleet Bay. The clubhouse also features a commercial grade kitchen, and both inside and outside bars.

Our beach area is available for private ceremonies at no additional fee. Couples frequently exchange vows with the backdrop of the bay, Great Island and sailboats blissfully playing in the wind.

Chequessett's working Boathouse offers a casual Cape Cod alternative for those seeking a more relaxed atmosphere for their gathering. The Boathouse is a large open room with exposed beams and a wooden floor, ideal for dancing—and it boasts a 60' deck running parallel to the nearby shoreline.

Chequessett is proud to offer, in addition to its full bar, an extensive wine list to fit any budget. Our vast network of contacts in the community proves invaluable in providing assistance with special requests ranging from music, caterers, flowers and tents to the freshest seafood in town.
