Meet Paige

Hello! I am so happy to meet you and get to know you. My name is Paige and I have wanted to be a wedding planner since I was 5 years old and now here I am living my childhood dreams.

I started in the event industry in 2015 as an intern, I then became a wedding coordinator at The Davenport. My career took off in 2018 when I became the lead Wedding Planner at a 5 star venue in Houston, TX, where I did 3-5 weddings a weekend.

After living in the south for 2 years I missed the mountains of North Idaho, so I moved back and started Paige & Co. Events!

The rest is history!

When I am not knee deep in sparkles and floor plans, I love going hiking, camping, paddle boarding, and cuddling my pups.

My favorite part about a wedding is at the end of the night when the couple is doing their grand exit and they are so thankful for how everything turned out!

We now have multiple planners within Paige & Co. We all have a passion for the wedding world and it shows in our work. We can't wait to start planning with you!

"We were SO lucky to have had the opportunity to work with Paige (and her assistant Bianca) under the Month of Coordination package. Even before the month of our wedding, Paige was the most professional and responsive vendor we worked with. She was so prompt, full of great information and led us to many other incredible vendors that we needed. Her organization was impeccable and I truly felt like every detail of our wedding would turn out just the way we wanted (IT DID!!). She facilitated our rehearsal beautiful and on the big day, kept us calm, kept up great communication, wrangled all other vendors, ensured we had everything we needed and made sure we had a great time! Future brides & grooms, please don't think twice, you NEED Paige! Her services were invaluable! We are forever grateful Paige, thank you :)"
