\*Remaining balance is due one month before your wedding date. Your album credit goes towards a Graphistudio flush style album. Within three weeks of your wedding I will post your pre-designed album on your very own web page. You will get three edit sessions with me to change your album to your liking. Your web page will also include an online proof gallery and finished album showcase for your convenience to view and order prints. Albums are upgradeable in size and the number of pages. See Album pricing sheet for details.
