PHOTO BOOTH

www.premierphotoboothchicago.com

Welcome to Premier Photobooth!

Enough of going to events and leaving with no evidence of the great time you had. This happens way too many times. You need to be able to live in the moment but also capture the moment! The Premier Photobooth now has you covered! We want to allow our customers to capture these moments in a new, fun, innovative and exciting way! Whether it's a Prom, Wedding, Birthday, or backyard BBQ, the Premier Photobooth is here to help capture those moments!

When booking with us, you are not only booking our Photopod but you are booking the experience! The experience starts from the time you land on our site and continues even beyond when your event ends. No need to wait any longer!

We are excited to work with you.

Perks of the booth!

- Custom Displays & Overlays
- Hands Free Options (Covid Friendly)
- Instant Photo sharing
- Captures quality Gifs, boomerangs, videos and photos
- Easy set up and take down. Self sufficient.
- Option for virtual events
- Provides data of everyone who has used the booth while at your event (Photos and contact information)
- Fun, interactive and brings excitement!

Standard Package **(\$500 for 3 hours)**

*Ideal for larger scale events such as weddings, Galas, corporate functions

A photograph of two women at a photo booth. The woman on the left has blonde hair and is smiling, making a peace sign with her right hand. The woman on the right has dark curly hair and is also smiling, with her hands clasped near her chest. They are both wearing dark, sleeveless tops. The background is dark and out of focus. The text 'PREMIER PHOTOBOOTH FEATURES' is overlaid in white, bold, sans-serif font in the center-left of the image.

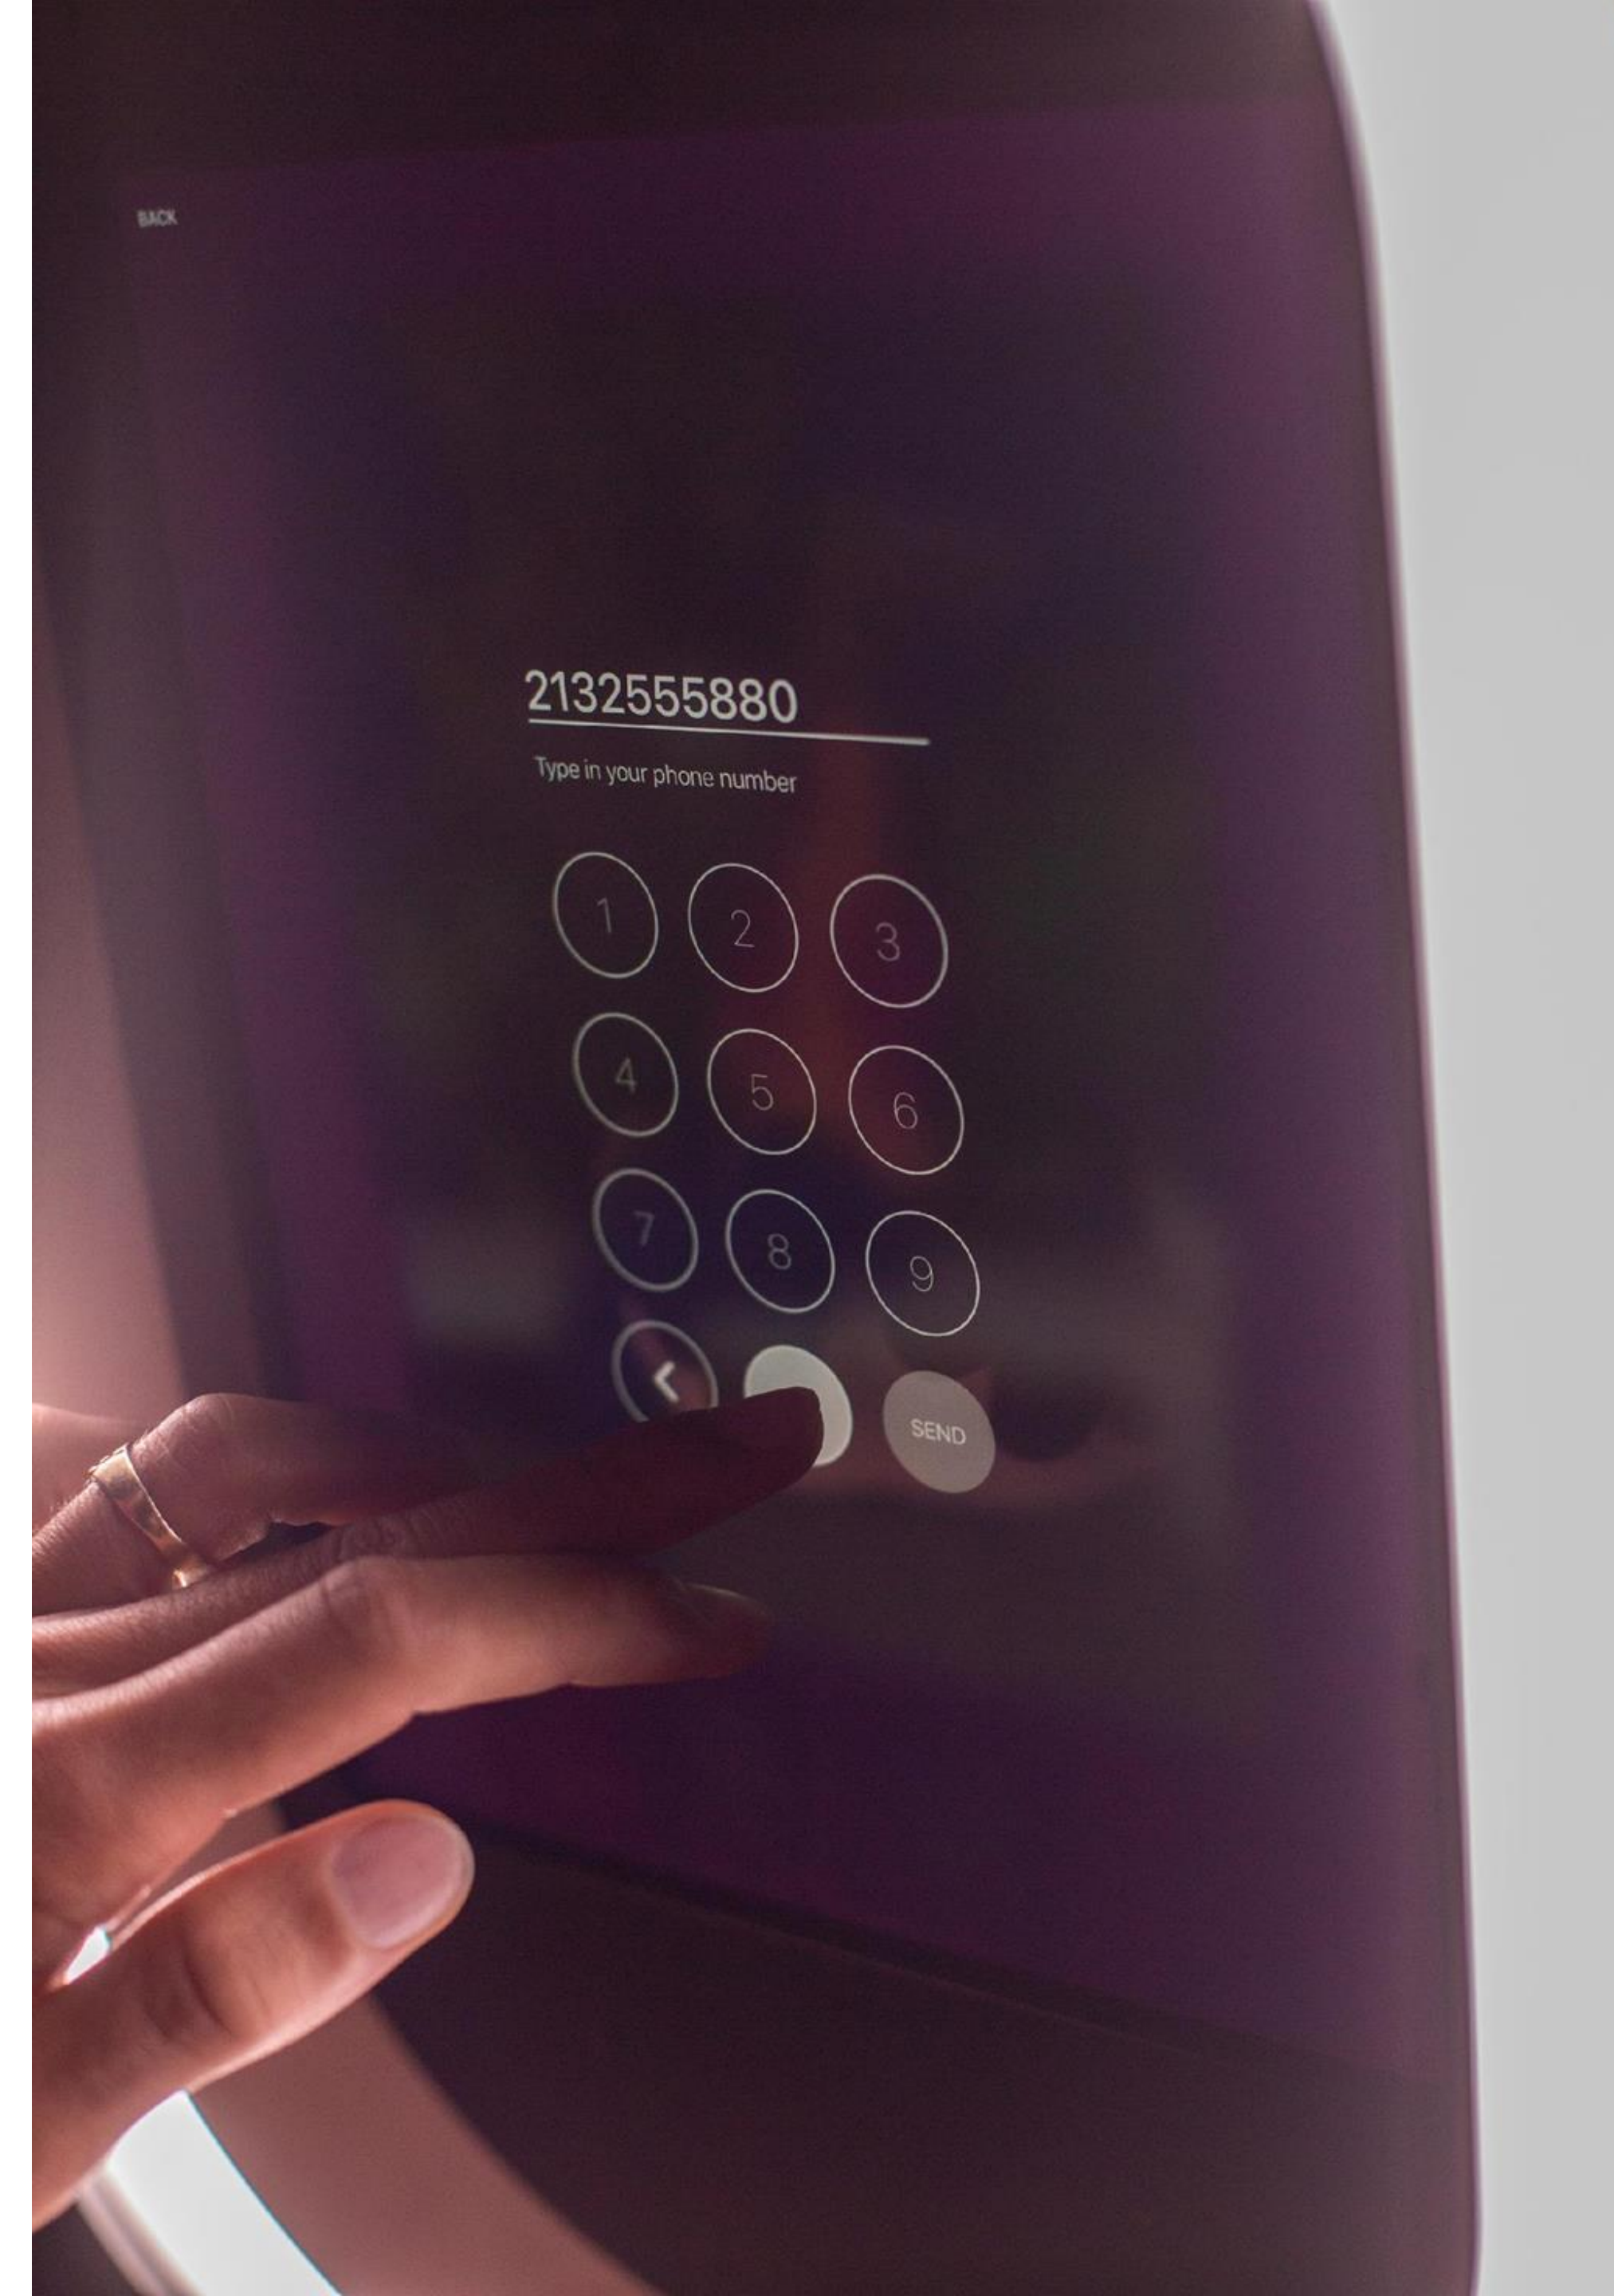

PREMIER PHOTOBOOTH FEATURES

Sharing Feature

Photo, Gif, boomerang and video sharing are all instant directly from the photobooth.

Benefits:

- Guest are able to receive their captures in real time to post to social media or save to their device.
- Guest can send their capture to their themselves by using text, email, AirDrop, or QR code.
- Custom message can be created when guest receive their captures

Customized Overlays

Clients are able to customize their overlay to cater to their event.

You should use overlays if you want to:

- Add a design or branding to GIF, boomerang, or video captures
- Add a design or branding to all capture modes in Virtual Booth
- Provide one or more design options for guests to choose from

You should not use overlays if you want to:

- Run an in-person event with only “Photo Mode” turned on

Customized Start Screens

Clients are able to customize their start screen. This is the first thing people will see when they approach the booth.

Benefits:

- Captures guest attention to booth
- Creates excitement before taking pictures
- Personalizes the event
- Helps with branding your event

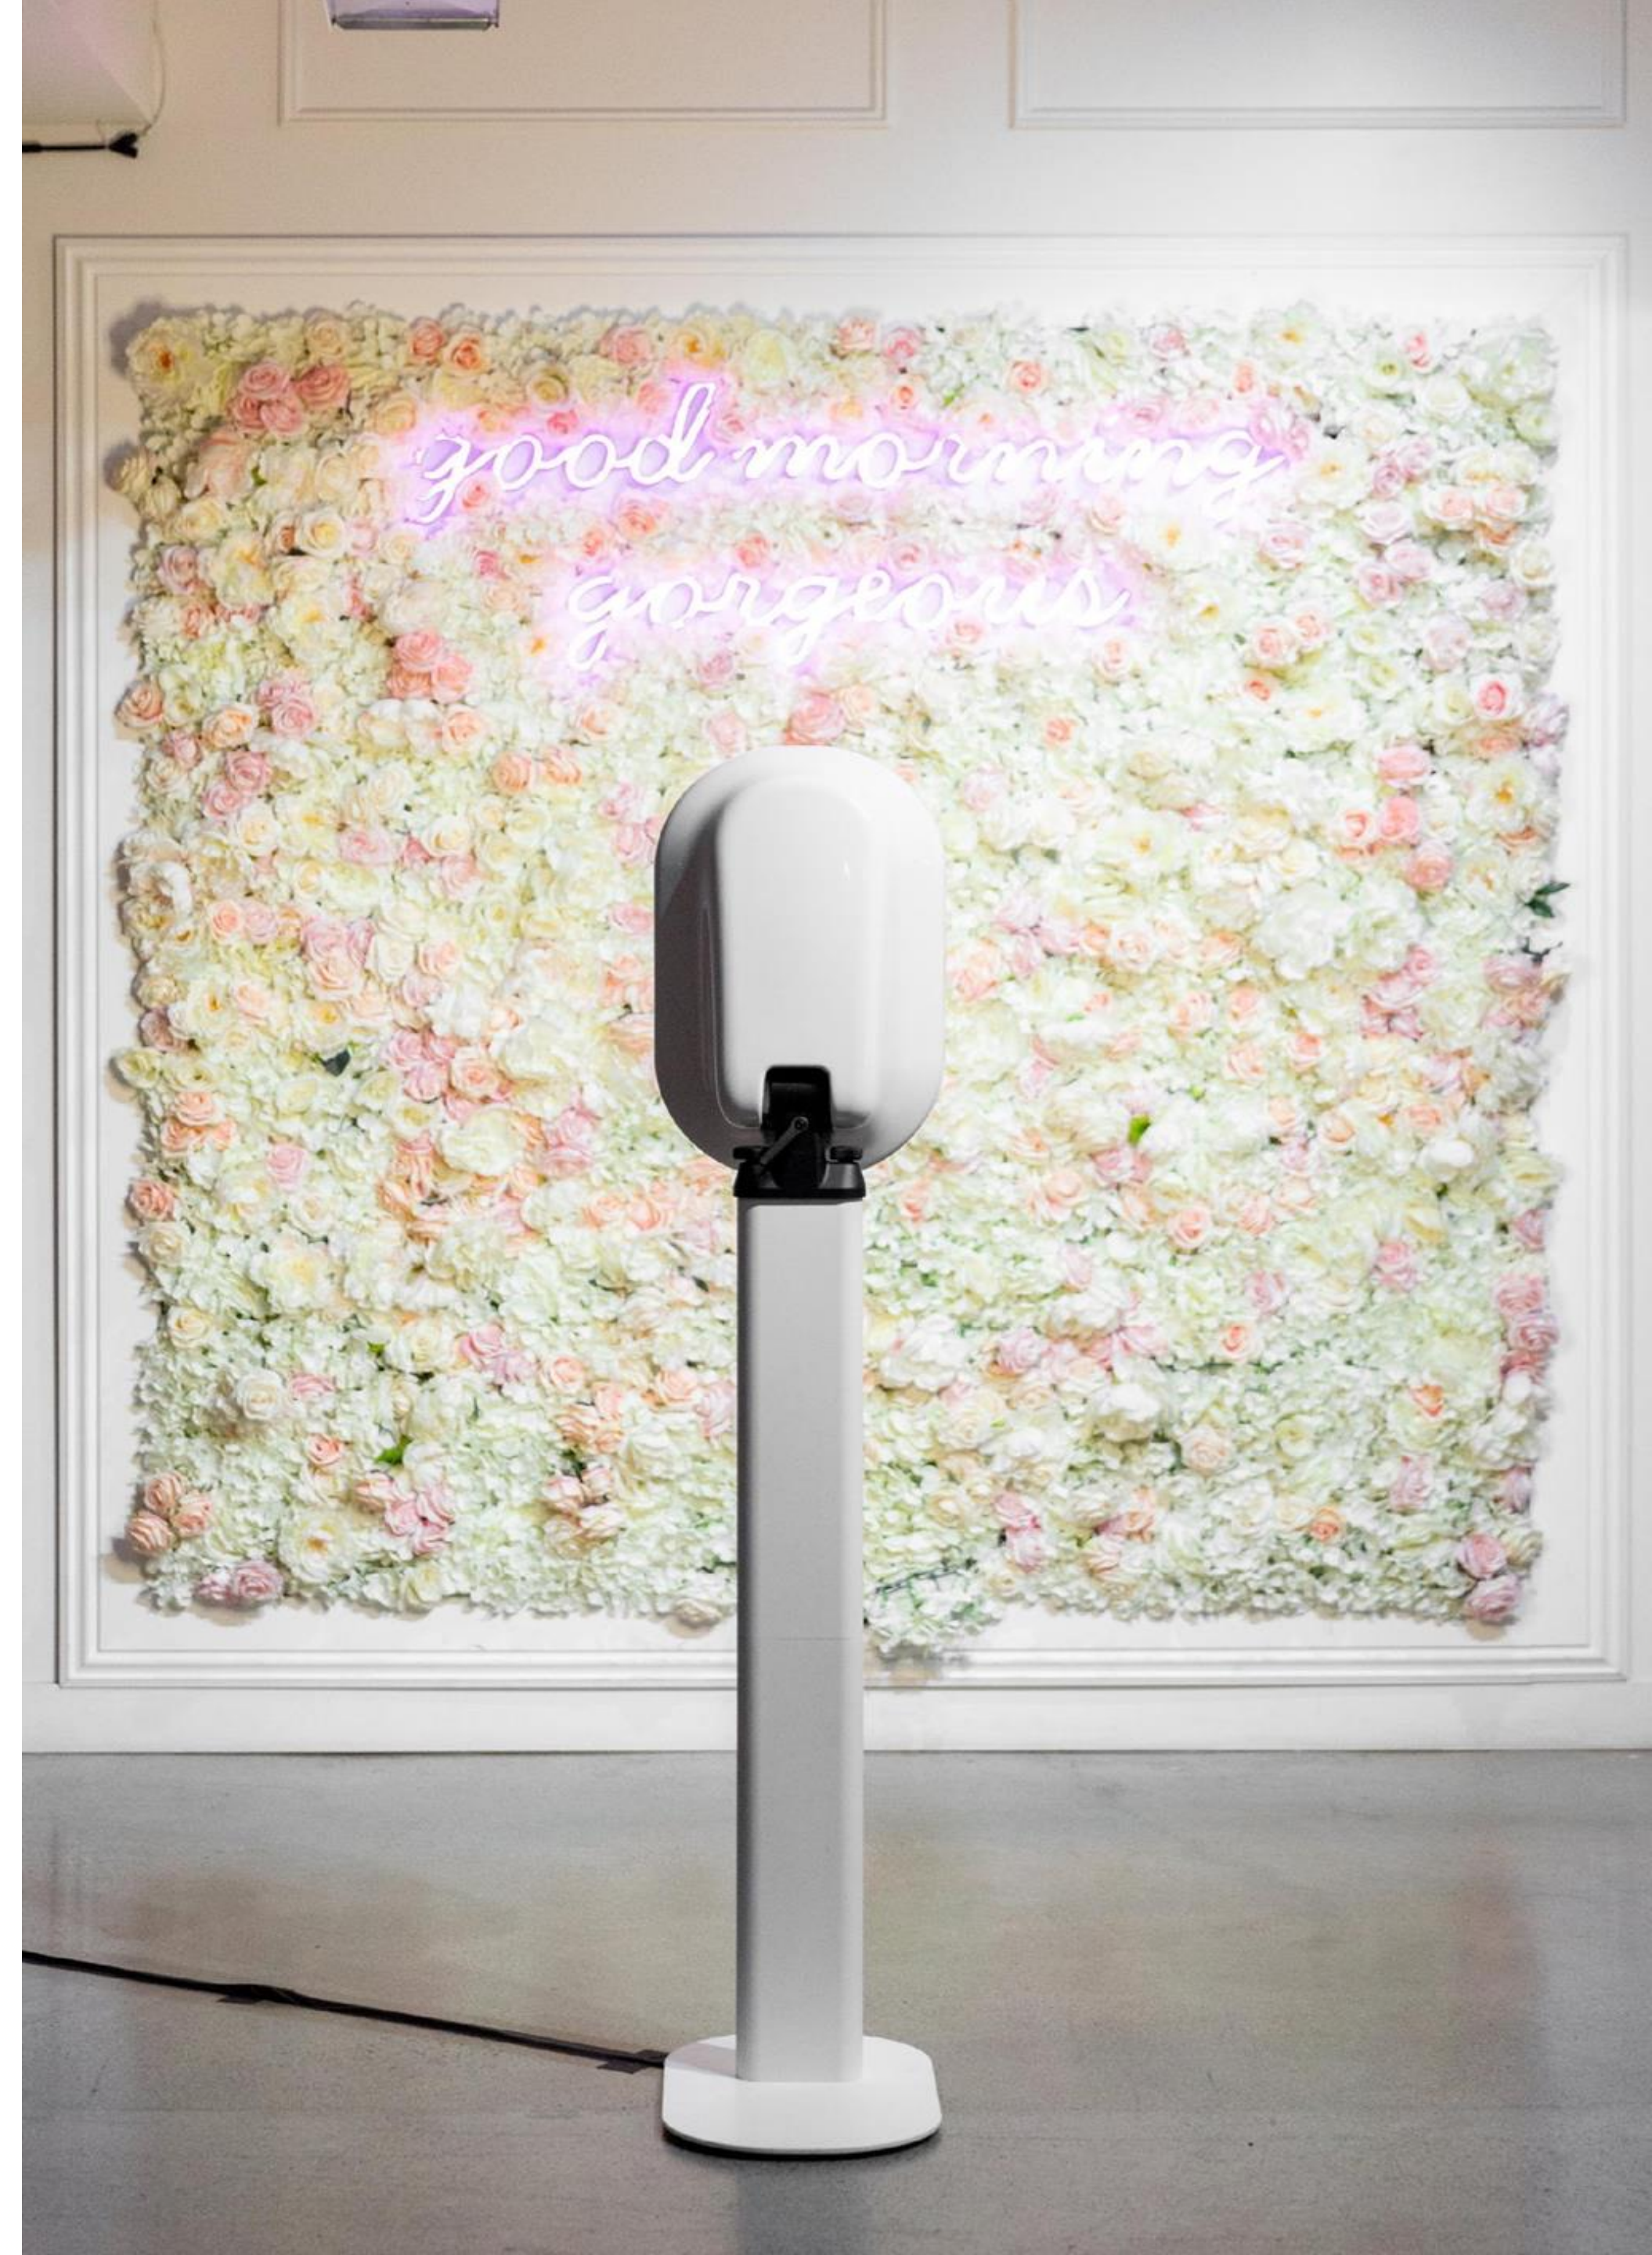

Premium Backdrops

Clients are able to use our backdrops or provide their own backdrops to enhance the pictures captured .

Benefits:

- Hides potential distracting background in photos
- Adds additional flare to photos
- Allows you to personalize your event even further

Color Matched LED Lights

Clients are able to customize the LED light surrounding the booth. You are able to change color, brightness, solid mode, pattern mode, etc.

Benefits:

- Adds to the aesthetic of the booth
- Allows you to change the color of the light to accommodate your event

Hands Free Mode

This is a completely touchless feature that allows you to keep your event Covid friendly.

Benefits:

- Prevents attendees from having to touch the screen while using the booth by using advanced facial and hand recognition software
- Utilizes the QR code feature to allow attendees to still receive their capture instantly
- Attendees no longer have to “Tap to Start”
- Allows attendees to feel comfortable using device and remain interactive

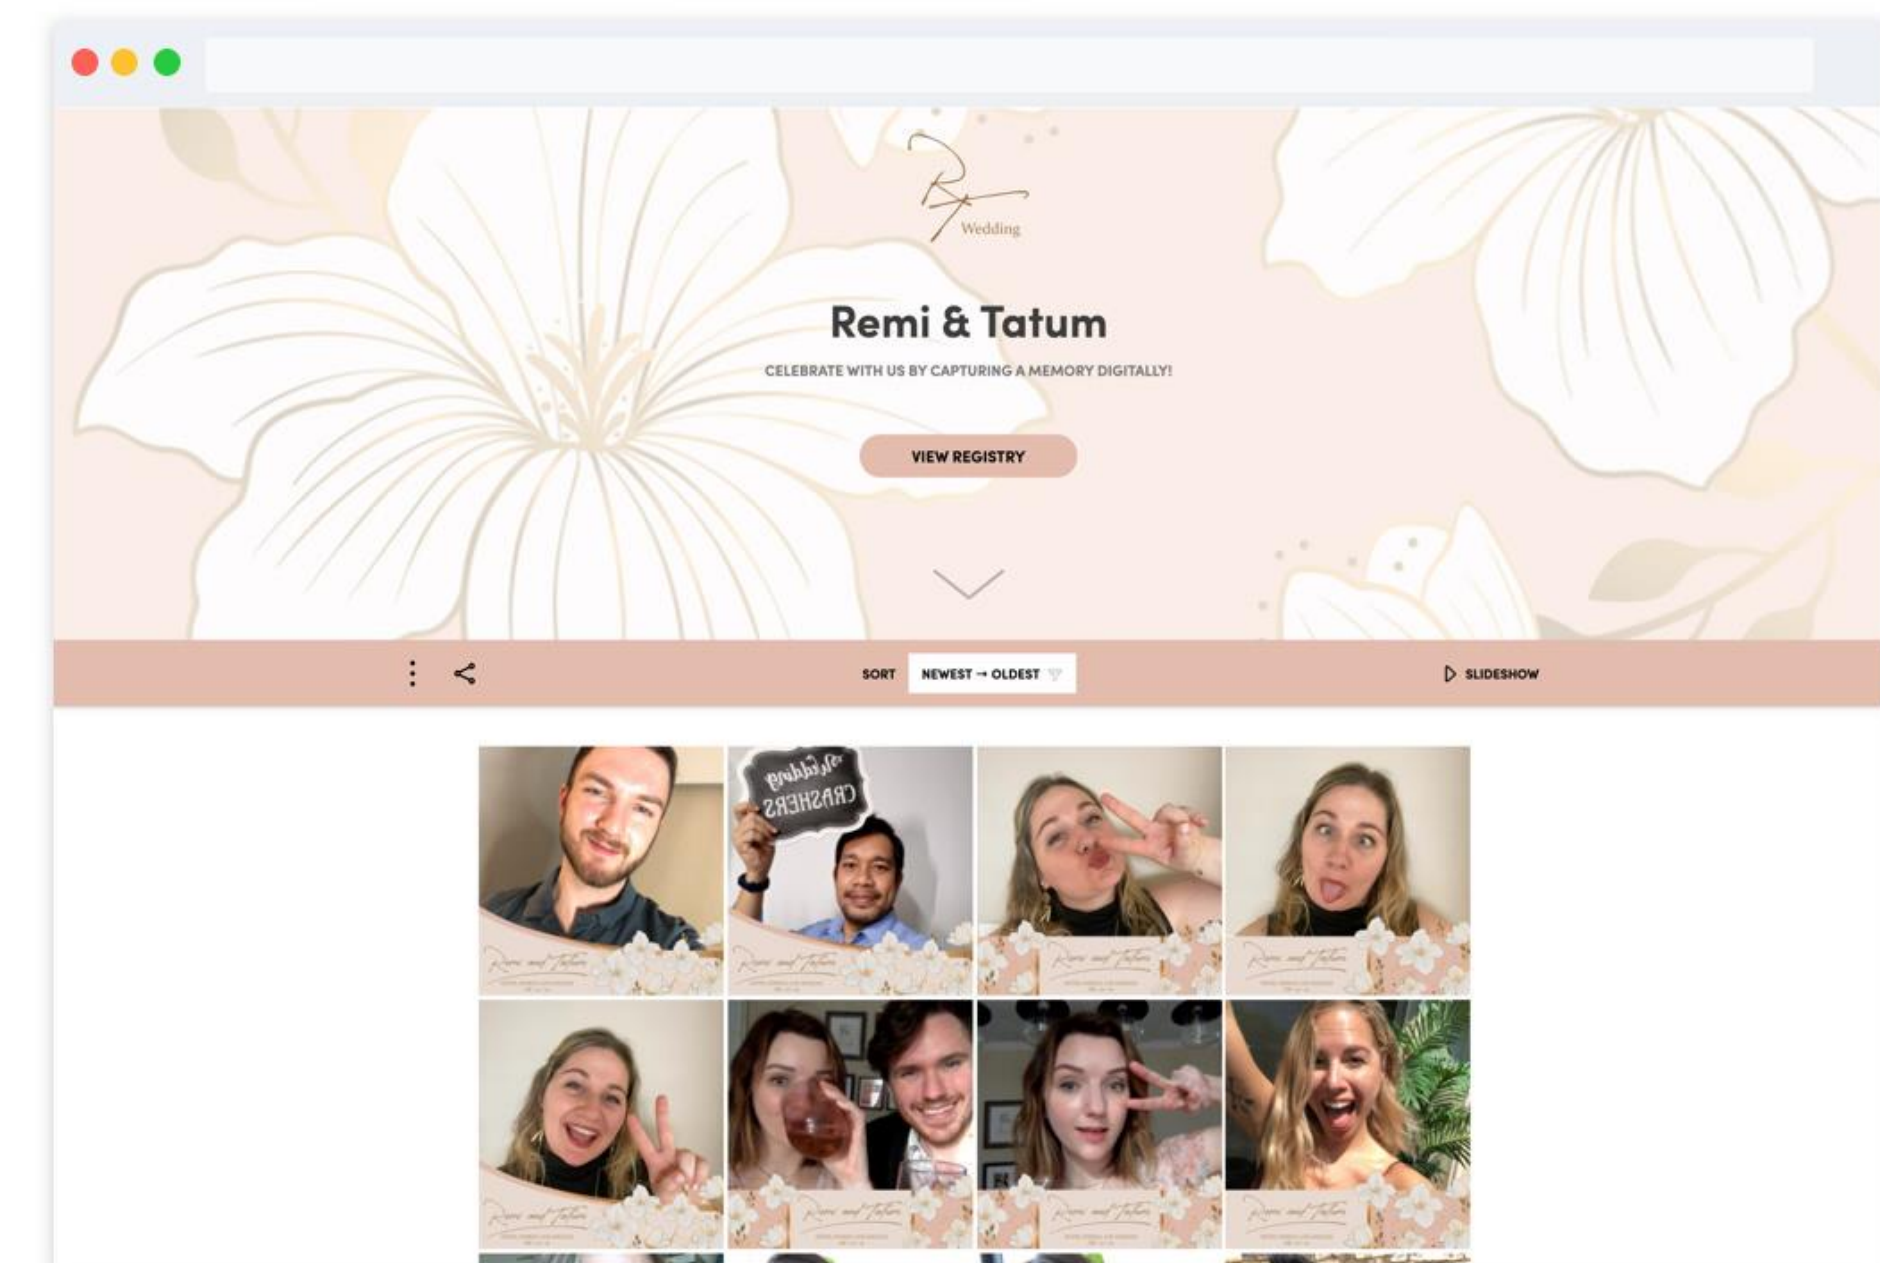

Virtual Photobooth

Feature allows you to have the photobooth experience during virtual events or in-person events without a physical photobooth. Great for virtual celebrations, happy hours, social events, drive by celebrations, etc.

Benefits:

- Allows you to give the photobooth experience virtually (Zoom, Teams, Google Hangouts, etc..)
- Allows you to have hybrid events where part of the event includes the physical booth and remaining part includes virtual booth.
- Allows client and guest to get almost the exact same experience virtually as they would in person.

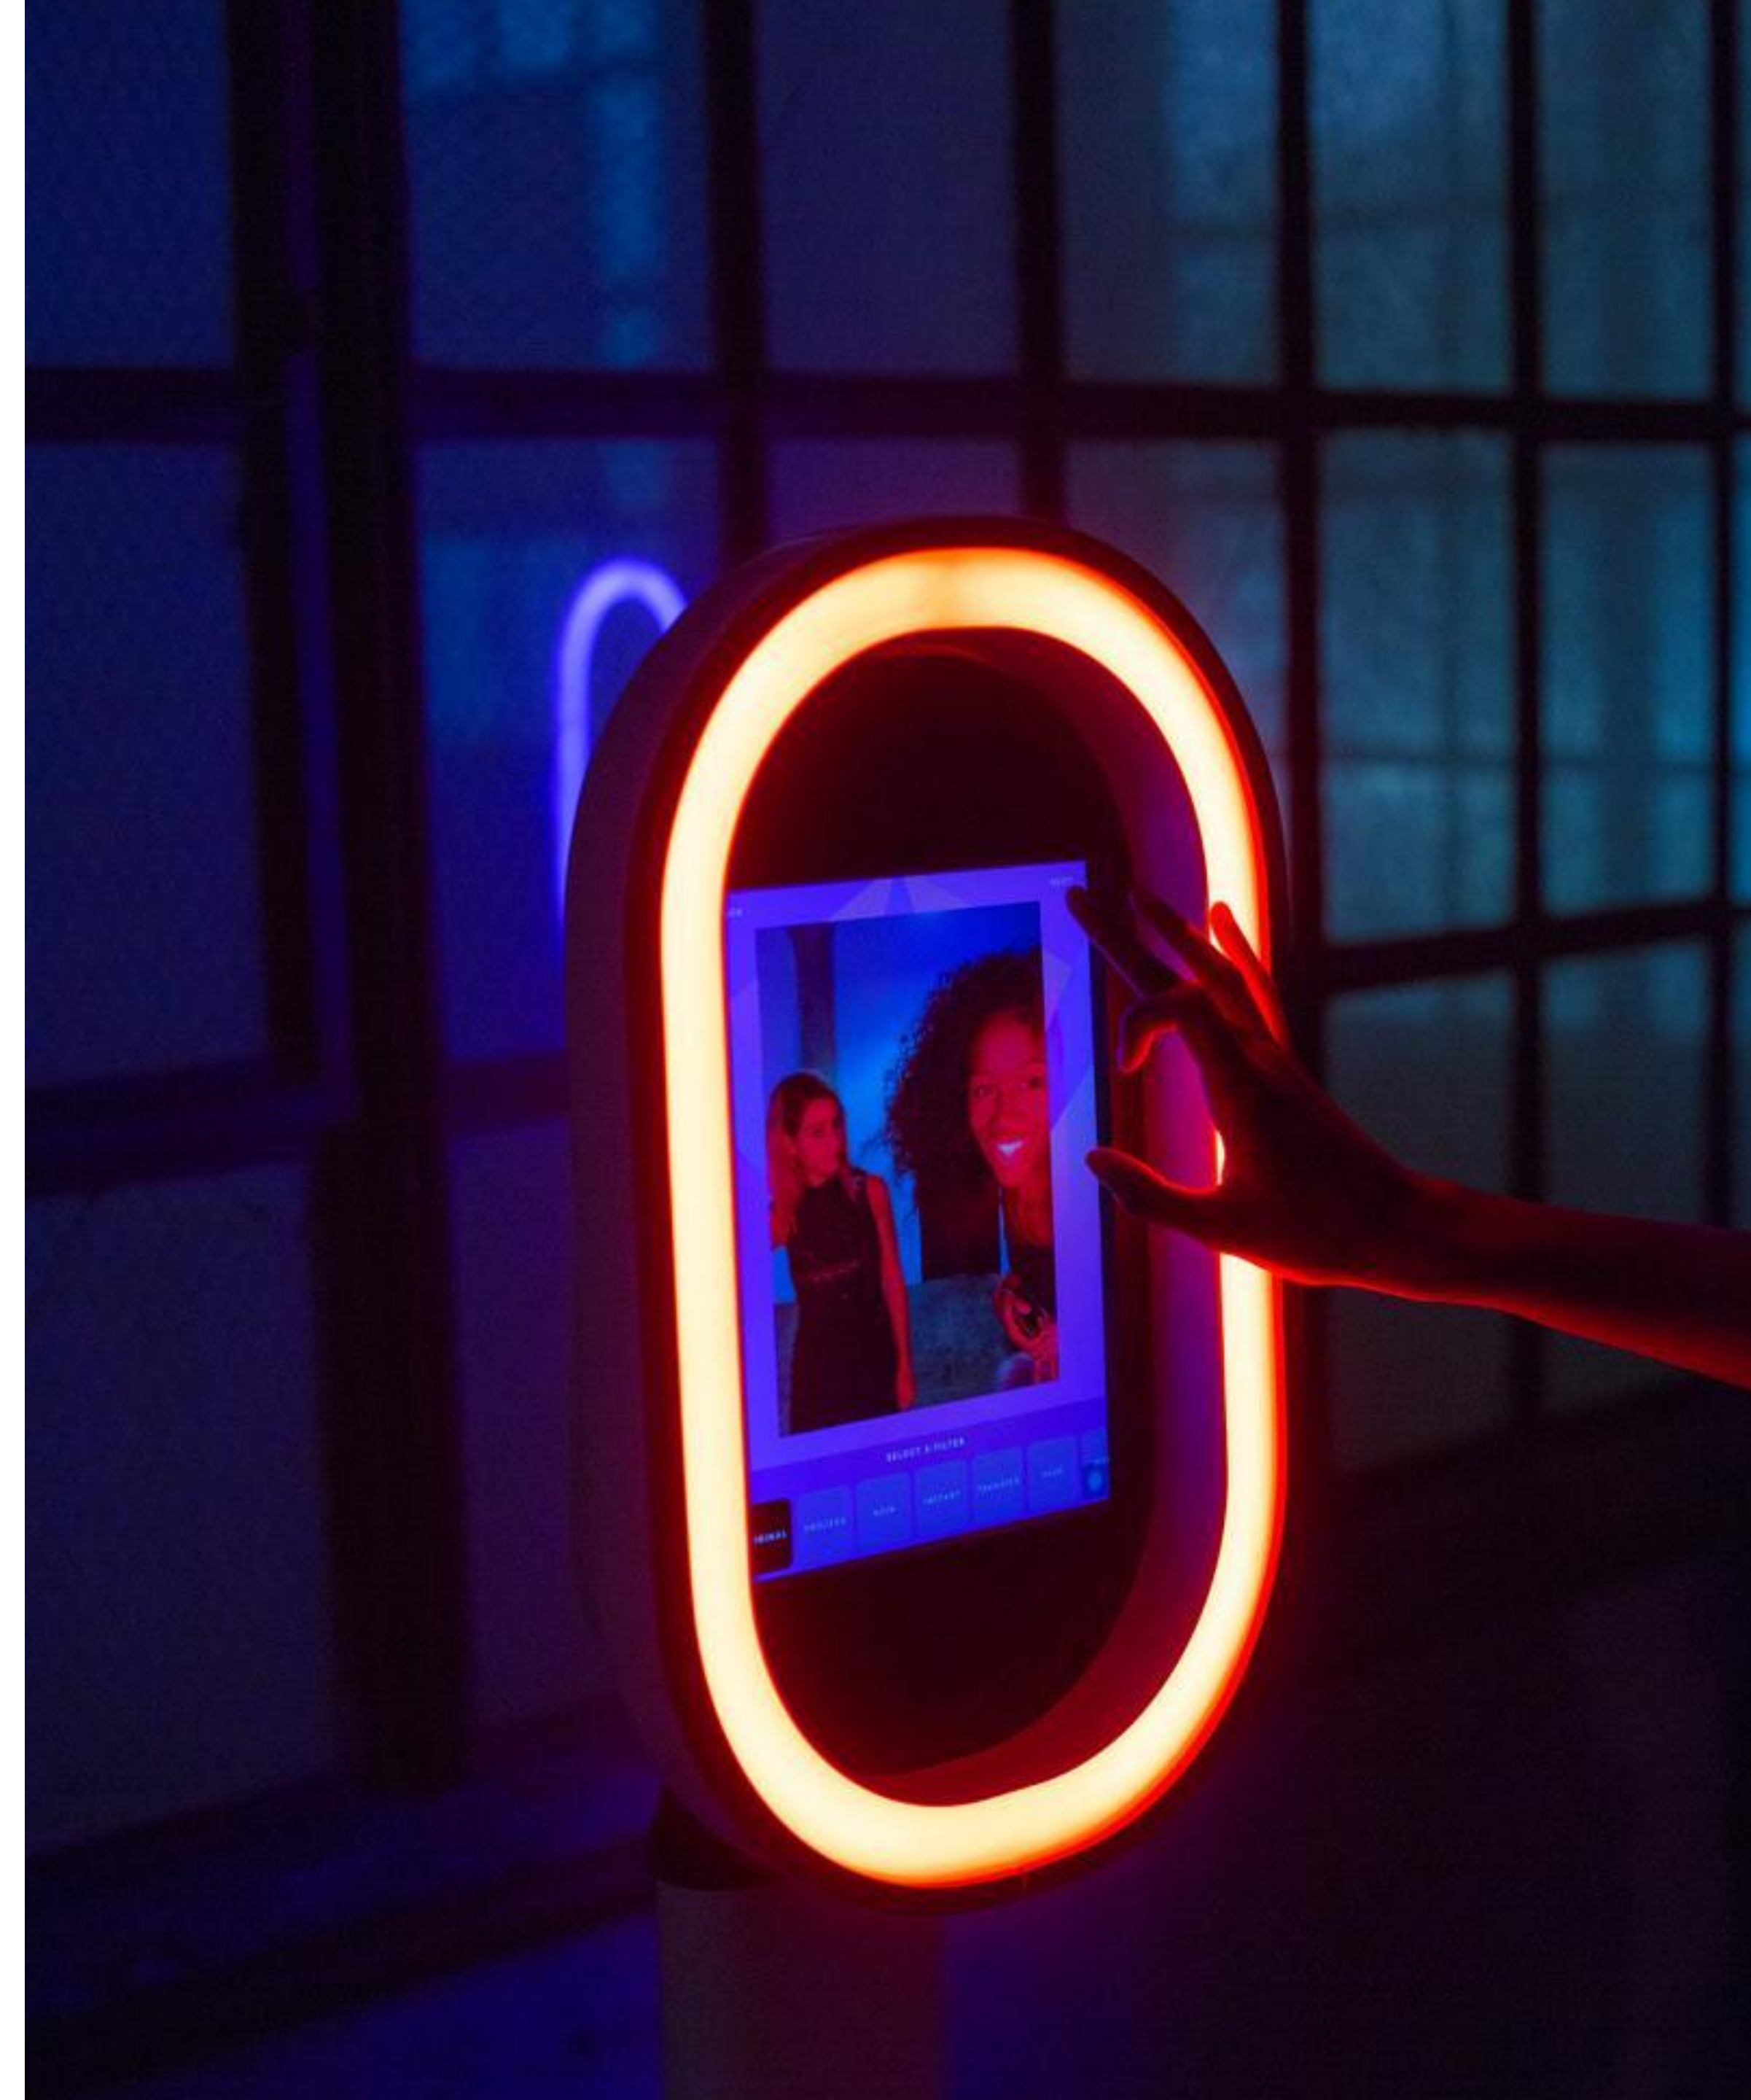

Additional features

Event Data – we are able to provide attendees data such as emails and phone numbers that would allow you to send follow up emails to promote yourself or say thank you and more.

Live Gallery – live gallery allows us to send you a personalized and password protected link with everything captured at your event so you can relive those moments or use them for promotional purposes.

Video Guest Book – allows guest to leave up to 2 minutes of a special message in the photo booth that uploads to your live event gallery. Create and relive those special memories with a click of a button! Great for weddings, going away parties and birthday messages.

Client and Customer satisfaction

Premier Photobooth guarantees the best experience from time you reach out to even beyond the booking

- Organized and timely
- We customize everything to cater to your specific event
- We adjust lighting once at the event to capture best quality photos
- We assist attendees with instructions to capture best quality photos (i.e booth 6 ft. from backdrop, attendees stand 4 ft. from booth)
- We cater to your needs even once event has completed!

Premier Photobooth Feedback

Good Afternoon,

I just wanted to touch base with you all and let you know that I thoroughly enjoyed my experience with Premier Photobooth this weekend at my grand opening! Premier Photobooth captured moments that will live in my heart forever. The professionalism was top tier and I am immensely grateful that you all not only provided photos for the event, but you all created an experience for me. Moving forward, I would love for us to partner in future events and will highly recommend you all to family, friends, and my fellow peers. Thanks again for a wonderful experience and I look forward to joining forces with you in the future!

Best,

Captures from Premier Photobooth

THANK YOU

The graphic features a black background with a white floral pattern. On the left, there are three diamond-shaped photo samples: the top one shows a person in a photo booth, the middle one shows a person's face, and the bottom one shows a person's face. To the right of the photos, the text 'Premier' is written in a large, white, cursive font, with 'PHOTO BOOTH' in a smaller, white, sans-serif font below it. Further down, the text 'PremierPhotoboothChicago' is displayed, followed by social media handles for Facebook and Instagram, and an email address. At the bottom right, there is a white triangle containing the text 'contact us'.
