Frequently Asked Questions

1 What is the difference between the Standard, Premium, Platinum, and Supreme menus?

Each menu offers varying options and combinations of appetizers, vegetable entrées, curry entrées, rice entrées, desserts, and additional items like naan, salad, chutney, and raita. The higher-tier menus include more premium options and a greater variety of dishes.

2 How do I choose the right package for my event?

Consider the number of guests and the desired level of variety. Review the sample menus provided for each package to get a better idea of the included items.

3 Can I mix dishes from the standard, premium, platinum and supreme menu?

Yes, you have the flexibility to mix dishes from different menus in all packages except the Standard menu. Here are the options you can consider:

In the Premium menu:

You can choose one appetizer from the Standard menu.

You can select one curry entrée from the Standard menu.

In the Platinum menu:

You have the choice of selecting one appetizer, one vegetable entrée, and one curry entrée from either the Standard or Premium menu.

You can also choose one rice entrée from the Premium menu.

Additionally, you can enjoy two charcoal grill entrées and two desserts.

In the Supreme menu:

You can mix and match from the wide range of options available.

You have the freedom to select three appetizers, one vegetable entrée, one curry entrée from the Premium menu, one curry entrée from the Standard menu, and one rice entrée from the Premium menu.

Moreover, you can relish two charcoal grill entrées and two desserts.

Please note that the Standard menu does not allow for mixing dishes from different menus. However, the Premium, Platinum, and Supreme menus offer greater flexibility and variety to suit your preferences.

4 Can I customize the menu within a package?

The packages are designed to offer a balanced selection of items. However, for the Premium, Platinum, and Supreme Packages, you have the flexibility to choose from additional menu options to personalize your selection.

5 What additional options are included in the Premium, Platinum, and Supreme menus?

The Premium, Platinum, and Supreme menus offer enhanced choices and options. In addition to the items included in the Standard menu, these higher-tier menus provide access to premium appetizers, curry entrées, rice entrées, desserts, and additional items like charcoal grill entrées, naan, salads, chutneys, and raita.
