

Package Description

Sapphire Package

The sapphire package is for a wedding of 50 to 70 guests.

This package is created for a more intimate wedding. The sapphire packages offer classical, contemporary, or exotic tropical arrangements that can be made on your special day.

Emerald Package

The emerald package is flawless for a wedding of 70 to 100 guests. This package is made for a slightly bigger and more social wedding.

The emerald package also offers classical, contemporary, or exotic tropical arrangements from which you can choose for your event.

Ruby Package

The ruby package is perfect for a wedding of 70 to 120 guests. This package is generated for a much bigger and averaged size wedding. The ruby package will allow you to choose from classical, contemporary, or exotic tropical arrangements.

Diamond Package

The diamond package is ideal for a wedding of 100 to 150 guests. This package is created for the wedding of your dreams!

The diamond package will give you everything you want, and you can also choose from classical, contemporary, or exotic tropical arrangements to make your wedding day fantastic!
