## Full Service Event Planning Service

This is the option for the couple or family that wants a beautiful event but doesn't have the time to plan it. We will connect you with the right team of vendors to bring your vision to life, budget and track your spending and create a detailed timeline for the day of your event. You can stress less knowing every detail throughout the entire planning process is taken care of in an organized and efficient way.

Starting at \$6,000

## Day of Coordination Service

Perfect for the client who has already planned their event and now the time has come to sit back and enjoy the celebration day! We are there to handle all of the logistics so you don't have to. Beginning with creating a detailed timeline and making sure all vendors and family members are sticking to it! Our goal is to overcome any challenges that may arise and troubleshoot as needed. You did all of the hard work leading up to this big day. The only thing you have to do now, is enjoy your day!
