Add-on to any hourly package or Engagement Video (optional)

- Personal voice message from bride and groom Vows and or letter reading: \$150.00
- Add another videographer: \$500.00
- Drone footage: \$150.00
- 1-minute Instagram promo video: \$350.00
- RAW footage: \$600.00 (without providing an external hard drive) or \$375.00 (if you send us an external hard drive with at least 2TB of storage)
- Extra hours if needed the day of the event: \$175.00 an hour (we will send out an invoice the day after the wedding).

Engagement Video (\$1,500) tax not included

An engagement video much like the highlight video, is a way to show case who the two of you are as a couple, this is a more intimate shoot with the just the couple. Engagement videos are typically 1 to 3 minutes long.

You can also add this service on to the full day wedding video, but would have to be scheduled to be done on a separate date from your wedding day.

A \$500 deposit (non-refundable) payment is due upon booking your service, the remaining balance will be due the day before or the day of the wedding.

*Engagement video ***will include:***

- 2 to 4 hours of shooting time with the couple
- 1-to-4-minute highlight video
- Up to 1 minute Instagram promo video
- 1 videographer
- Drone footage
- Final video will be delivered via digital album and google drive

“Destination” Wedding Video Packages

Be advised, booking must be made at minimum 12 months prior to the wedding date, retainer/deposit of 50% of the total must be paid upon booking and the remaining balance must be paid 30 days prior of the wedding day.

Within the US:

Travel by car: If the destination can be reached by car, we charge a \$0.50 per mile charge on top of the wedding day video package for any wedding outside of the state of Connecticut.

Travel by plane or other: All other forms of transporting to the destination if not by driving but rather by plane, train or other means will have a travel cost associated to the wedding day video service. We also book our own flights due to us having to be at the destination 1 to 2 days prior to the wedding day

Lodging: We tend to book our hotel stay ourselves, due to us having to be at the destination 1 to 2 days before the wedding day.

Total costs:

Travel by plane + lodging cost: Travel and Lodging + Your wedding day video package

Cost includes: airfare tickets for 2 videographers, gear cost at the airport, car rental and other expenses

Travel by car cost (only if driving outside of the Connecticut area): \$0.50 per mile of travel + Your wedding day video package

Outside the US:

Travel and lodging: We will book our own flight and hotel due to us having to be at the destination 1 to 2 days prior to the wedding day.

Total cost:

Travel and lodging + Your wedding day video package

Cost includes: airfare tickets for 2 videographers, gear cost at the airport, car rental and other expenses to live outside of the country for the time being

Ask about our 10% military discount!
