

The Foxtail Estate Weekend Wedding Package 2022

Why have a wedding day when you can have a wedding weekend? With a wedding at The Foxtail Estate, you will have full use of the grounds and rental of all guest rooms Friday to Sunday. It includes the following and is priced accordingly:

Lodging:

The entire Bed and Breakfast will be yours Friday (3 pm check-in) through Sunday (11 am check-out). This includes the spacious Honeymoon suite with Bridal Dressing Area for the Bride and Groom, the Rhodes Room with a balcony overlooking the grounds, and the Robinson Room. Breakfast will be provided Saturday and Sunday morning for all guests who are staying at the estate.

Facility:

You will have access to the grounds and any guest common areas for the duration of your wedding weekend for photographs, wedding rehearsal, ceremony and reception. Our rates include "rentals" for up to 80 people, staffing, set-up, and clean up. We will provide these "rentals":

- 80 resin folding garden chairs to be used for ceremony
- 10 8 ft rectangle banquet tables
- 80 resin folding garden chairs to be used for reception
- 80 gold chargers

We can accommodate more guests and can provide "rentals" for guests above 80 up to 120. The rentals are estimated at \$20 per person through a third party, however, and rates can change between now and your wedding date. There is a slightly increased venue use fee

for guests above 80 = \$500 for up to 100 guests and \$750 for guests up to 120. Linens can be provided through a rental company if they are not provided through your caterer.

We provide a Bluetooth Speaker for music in the reception and ceremony area, but you will need to coordinate a DJ for any additional sound needs.

You are welcome to host your rehearsal dinner on property Friday night, but no staff will be provided and you will be responsible for clean up. If you would like, we can coordinate staffing for this for an additional fee.

Day of Coordinator:

Our facility rental also includes a Day-Of Coordinator to ensure your wedding day goes smoothly. Most venues require you to hire their Coordinator for an additional \$500-\$800. This third-party professional event coordinator is there to alleviate the stress associated with the final days of planning and assist in day-of logistics like making sure your other vendors are in place, adhering to your schedule, and making sure everyone is where they need to be. We want to make sure that you get to focus on getting married to your best friend, not worrying about the previously planned details you worked so hard to coordinate and their execution on your wedding day!

Tent Rental:

As we are an exclusively outdoor venue and, it's Florida (so rain is always a possibility, we will provide tenting for the reception area. Our tent rental is built for 80, but can hold up to 96 people. For larger party sizes, we would need to add additional coverage through the third party rental company, which will be priced accordingly.
