Thank you for considering LifeSketch Photography as you plan your special day. I know there is a lot to do, so it is my goal to make this portion of your planning as stress-free as possible.

As every wedding, every couple is unique, I like to tailor my packages to fit your needs. So if you don't see what you are looking for, or need something a little different, please just let me know! We can have a chat about what your dream coverage looks like and how we can make it happen.

Elopement/Short & Sweet \$1500

Are you planning on a simple wedding? Less than 50 guests, informal setting, not an all day affair? This package is one photographer (Rachel) and is for up to 4 hours of coverage. All the key moments will be captured. We will discuss exactly what is most important to you and ensure you have those moments, those emotions preserved in beautiful images. You will receive a digital gallery of edited images, all of which you are welcome to download and print.

Full day of fun \$2600

A more traditional package, this option offers a lead and secondary photographer to capture your day from multiple vantage points. We will cover your day for up to 8 hours. Bridal preparations to getting down on the dance floor, we will be there to capture your big day. In addition to the digital gallery of high resolution, edited images for you to download and print, you will receive a beautiful book or photo album with your favorite wedding memories to cherish over the years to come as well as an 11 x14 inch print or canvas of the image of your choice.

A Little Something Extra \$3500

Are you looking for a little something extra? Well how about in addition to the full day of fun, an engagement session prior to the wedding- in time for the Save the Dates to be sent out? You will receive a separate digital gallery of up to 45 high resolution digital images. This package is up to 10 hours of coverage by two photographers. You will receive a book or photo album of your favorite wedding memories, as well as a 20 inch print or canvas of your choice.

Thank you again, and don't hesitate to reach out with any questions!

Sincerely,

Rachel Boettcher
