

Thanks for choosing All-In-One Entertainment! We really appreciate your interest in our new business and would love to set you up with the ultimate outdoor venue!!

I'm happy to help you with as much information as possible so we can get you booked for your next big event!

Below you will find all of our current pricing for our rental equipment. Please let me know if you have any questions!

Ok so let's start with our #1 equipment rental, our Entertainment Trailers! Our authentic one of kind Whiskey Barrel Pub is our Original Trailer. This is available for \$1,285.00 to rent for any event. Our newest member of the fleet is the Farmhouse Tavern! This is a very unique Entertainment Trailer which also includes 2 Bathrooms. The added bonus features here are having two Bars

aboard this beautiful Trailer which also includes an excellent Bluetooth stereo system and two refrigerators along with a 43 inch Television behind the back Bar!! This unit is \$1485 for the rental.

We only rent the full Entertainment Trailer with the 2 Bathrooms on weekend dates. (Weekend dates are Friday, Saturday, Sunday) We can rent just the Bathrooms and lock the Bar area or Rent just the Bar, however we only do so on weekdays. The price for dividing the Entertainment Trailer is \$785 for the bar and \$785 for the bathrooms.

Weekday specials are available at different times of the season.

When renting the bathroom package, you must arrange a pump out service to empty the trailer waste tank the following morning or there is an extra charge each day because

we cannot transport the equipment with any waste. We can absolutely arrange for a company to come and that will typically cost about \$225 for our local company out of North Reading and they charge extra for over 40 miles.

We also have really unique whiskey barrels with white or black umbrellas and 3 industrial style stools for \$85 dollars a piece as well which go very nice with the trailer setup!

Here is our pricing for our 60 inch round wooden tables and black Chairs.

- 4-60 inch Round tables with 32 chairs

and 4 white Linens. \$180.00

- 6-60 inch Round tables with 48 chairs

and 6 white Linens. \$260.00

- 8-60 inch Round tables with 64 chairs

and 8 white Linens. \$340.00

- 10-60 inch Round tables with 80 chairs

and 10 white Linens. \$420.00

- 12-60 inch Round tables with 96 chairs

and 12 white Linens. \$500.00

The Tables come with white Linens as well but have a cleaning fee of \$16 per linen.

High top Tables with Linens are \$38 a piece as well.....

We can also do very trendy bistro style patio lighting(\$185 for 200 feet of light hung), cornhole rental boards (\$45 each set with bags) , stand up coolers (\$30 each) , Raw fish boat just added for \$40 and much more!! We'll also let you know as new equipment becomes available. Please let me know what you are looking for and we will accommodate you!!

We like to try and do a survey of the property beforehand if possible and go over the plans with the customer but we only do that if it's entirely necessary. We ask for detailed photos upfront and can usually figure things out from that.

We also charge a fee of \$62.50 for every 5 miles of delivery service. That takes care of our 2 Round trips of dropoff and pickup. If you are only renting basic equipment and not the Trailers there is always a delivery and setup charge as well which is calculated with your distance and current fuel rates.

Please let me know how I can further help you with planning your Event!
