"I don't even know where to begin with how wonderful Krista was throughout our whole wedding process! Krista came highly recommended by our wedding planner and the two of them created the ultimate wedding day team. My husband and I planned our wedding completely out of state and Krista was excellent with email correspondence, text, phone calls, and zoom meetings. She kept everything light-hearted and easy-going which was exactly what we were looking for. The day of the wedding, Krista showed up bubbly, smiling, willing to laugh and go with the flow! She put everyone at ease and felt like a very natural extension to the day.

Krista is an absolute professional and above all else creates STUNNING pictures. It's been 3 months since our wedding and I still look through the pictures daily. Thank you, Krista, for capturing the day perfectly and giving us a perfect way to remember our special day! To anyone lucky enough to find out Krista is available for your day - do not hesitate to book!!"

HI FRIEND! I'M KRISTA

---

First off - THANK YOU FOR BEING HERE! I'm so excited to "meet" you! :) I'm Krista - a wedding photographer for joyful, adventurous, heart-centered, fun-seeking couples. In my heart of hearts, I'm an outdoor lover and find beauty in nature. I'm most at home in the mountains or on water, I'm rarely seen without a blanket wrapped around me, I feel happiest around a firepit, and am completely obsessed with dogs and telling other people's stories.

At my core - I'm multi-passionate and a true visionary - I come up with a new business idea on the daily, and the hardest thing about what I do is choosing which one to chase next! But the one thing that has stood the test of time is my deep love for photography - any time the camera is in my hand I feel at home, and I cannot wait to tell YOUR story!

*The Wedding Planning Process*

## 1. *We meet via Zoom*

IT IS SO IMPORTANT TO ME TO HAVE A CONNECTION  
WITH EACH AND EVERY ONE OF MY COUPLES.

KMP couples are unique in that they value ease, love, joy, beautiful photos & having fun. And they know and understand that to get fun, joyful, and genuine photos of their love story, we need to have a connection, and a relationship. I always say I want to show up to your wedding day and feel like a friend or an extra bridesmaid, rather than a hired vendor. So that means - our very first step is connecting via a Zoom call so we can get to know each other more and see if we're a perfect fit!

If you're ready, click [HERE](#) to schedule a time that works best for you.

## 2. *Let's make it official*

AFTER OUR INITIAL CALL, IF IT SEEMS LIKE  
WE'RE A GREAT FIT, WE'LL MAKE IT OFFICIAL!

All you need to do is decide which collection best fits your needs, and from there, I'll send you an online proposal with your custom contract, invoice, and payment schedule all able to be completed online!

Once your retainer is paid, your date will be saved and the fun will begin! From there, I'll begin sending you helpful education such as my engagement & wedding guide, any requested vendor recommendations, education around first looks and timelines, and more. And then, the best part- we'll start planning your engagement session!

### 3. *The Engagement Session*

ENGAGEMENT SESSIONS ARE INCLUDED IN MY COLLECTIONS BECAUSE THEY ARE A VITAL PART OF THE EXPERIENCE.

This is my favorite part! Engagement sessions are the time where we get to know each other, I get to see how you interact together, and you become comfortable in front of my camera. We get to shoot in gorgeous locations, you get to be all dressed up, and there's no guests begging for your attention. It's just you two and me (and sometimes your furry friends), documenting your love story. After the session you'll be all dressed up for a dinner date night, and in less than a week you'll have sneak peeks of some beautiful photos!

### 4. *Stress-Free Planning*

MY GOAL IS TO MAKE SURE YOU HAVE THE MOST FUN AND STRESS FREE DAY POSSIBLE.

I love being involved in the wedding planning process. Because of that, I am extremely organized when it comes to your wedding day plans! Leading up to the day, I will help you create a detailed timeline for the day, a family formal photo list, and will send you multiple questionnaires to ensure everything runs smoothly. I'll also work very closely with your wedding planner to make sure we have everything we need to coordinate beautiful photo opportunities! About 2 weeks out from the wedding, we'll have a video call to go over any final details to ensure we have everything we need for the day of!

## 5. *The Wedding Day*

I'LL CAPTURE ALL OF THE BEAUTIFUL  
MOMENTS SO YOU CAN LOOK BACK ON THE  
DAY AND RELIVE THE MAGIC!

Hooray!!! It's here! The day of your wedding goes by in an instant. I want to make sure it's the most fun and stress free day possible, for not just you - but your family and friends. I always arrive early so I can be 100% prepped and ready to go. I'll begin with photographing your details and the getting ready process! My absolute favorite part of the day is spending time getting beautiful couples portraits, so we'll ensure we have little bits of time for this sprinkled throughout the day.

## 6. *Your Photo Delivery*

IT'S TIME! POP SOME CHAMPAGNE AND  
RE-LIVE YOUR FAVORITE MOMENTS

You'll receive a preview of some of my favorite images within seven days -- because trust me, I know how exciting it feels to get these sneak peeks! A few weeks later once all of your edits are complete, you will receive access to your password protected online gallery with HUNDREDS of gorgeous, beautifully edited images. From this gallery, you can share your images with friends and family, download to your computer, and share to social media. You'll receive a PIN code to download your images and I encourage my couples to pop open a bottle of wine and enjoy reliving their day together!!

"Krista is an absolute gem! She did an impeccable job with both my engagement and wedding photos. Not only is she a talented photographer, but she has such a warm smile and positive energy that makes the whole photo-taking experience so much fun! From planning meetings to location scouting, she is super professional and always came prepared. She was very understanding when we rescheduled our wedding date due to Covid, and when the day finally came, I took great comfort in knowing that she would take care of documenting every moment. My husband and I couldn't be happier with how the photos turned out and are so grateful that what felt like a perfect day to us was captured so perfectly. Even after the wedding, Krista went above and beyond to return my husband's sunglasses to him. I wholeheartedly recommend Krista to anyone and everyone looking for a photographer, and can't wait for another occasion to work with her again myself!"

Krista is the best! Our wedding photos were so beautiful. We wanted our wedding photos to be light and natural - Krista nailed it! My husband and I are very camera shy, but Krista walked us through every photo/pose. She is also the sweetest person, very easy to contact and communicate with, and very attentive to details. I highly recommend her for any special moment that needs to be captured!

When your beautiful day has come to an end, the teary-eyed

have to look back on is your wedding photos.

My business isn't about pictures, it's about people.
