At Hoosier Grove Barn,

we are committed to providing couples like you an unforgettable and one-of-a kind experience on your wedding day. We pride ourselves in customizing weddings so they feel warm, fun, and uniquely you. Our beautiful, historic venue dates all the way back to 1888, when it was an actual working dairy farm. With a fully renovated interior, our barn provides all of the modern advances that you need for a wedding or event, without compromising its rustic charm.

Hoosier Grove Barn features a stunning main floor space, where the warmth of the barn wood, & romantic string lights create the perfect setting for your special day. A bridal loft is also made available to you so that you can relax, & get ready right here on site.

Our one room schoolhouse is accessible for intimate indoor ceremonies, or a fun photo op, while our outdoor ceremony locations include a lush garden (complete with ornamental fire pits, & a stone water fountain), a cozy semi-wooded silo area, and our classic school steps.

We even have space for an outdoor tent so you and your guests can dine al fresco. With so many customizable options, there really is something for everyone here at HGB.

It is important to us that your special day not only looks beautiful on the outside, but feels beautiful on the inside. We look forward to helping you create the wedding of your dreams!

TESTIMONIALS

“Amazing and easy to work with. Our experience with HGB was amazing! Vicki was an amazing coordinator. She not only helped ensure that my experience as a bride was smooth and effortless, but she made my whole party feel cared for in an unprecedented way! As a bride, I, not once, had to stress about plans, rehearsals, or catering. Vicki and her team went above and beyond to make this the greatest day of my life!”

- Kate; married March 13, 2020

“I cannot recommend this venue strongly enough. When you see the pictures, you will understand how charming this venue is for weddings. What you won't see is just how amazing the staff is. Our experience working with Vicki was beyond great. She was so knowledgeable and was always happy to meet with my mom and me when we wanted to discuss plans and visit the barn. I cannot imagine the day of our wedding being any more perfect or running more smoothly. The whole entire staff was professional, friendly, and went above and beyond to make our day fantastic. The staff will do whatever they can to make your day perfect. For example, I love iced tea, but not sweetened. The Barn usually only makes sweetened tea, but the staff found out and made a special batch of unsweetened iced tea just for me. Not only that, but I never came back to my table to find an empty glass! Do not think twice. Book your wedding here now! You will not regret it. Not only will you have a charming backdrop for your ceremony, reception, and pictures, but you will be so well cared for that the staff will seem like friends and family.”
