Add Ons

Extra Shoot Time - \$250/hour

1 Minute Highlight Teaser - \$400

Full Edited Ceremony - \$350

Full Reception Toasts - \$350

Full First Dances - \$350

Legacy Footage - \$1,000

While we don't offer completely unedited raw video files, we recognize that there are many special moments throughout the day that don't make the final cut.

With the Legacy Footage add on, you receive a full length video of everything we capture throughout the day, lightly edited and color corrected.

In our opinion, this is the most valuable service that we provide.

Having footage of you and all of your loved ones becomes even more precious as time passes.
