HELLO

I'M COLIN HURST

My wedding day was one of the best days of my life. June 19, 2021, is a day that I'll remember forever. I had been working in the wedding business for 8 years when I got married, and I didn't realize just how fast my day would fly by. My own wedding day

reinforced something very important that I carry with me for every wedding that I film: life stories matter. And it's my incredible honor and privilege to serve my couples during such an intimate, personal time in their lives. Let's share your story, together.

HOW DO YOU WANT TO REMEMBER YOUR WEDDING?

We craft wedding films that will be treasured beyond your lifetime.

THE COLIN HURST FILMS DIFFERENCE:

DISCREET

*You should spend your day
enjoying the people around you.
We'll capture your entire day, but
you'll barely notice us there.*

BESPOKE

*Your film reflects who you are
and what you care about. You're
unique, your story is unique, so
your film should be too.*

TIMELESS

*Your film will look just as
stunning in 5 years as it will in
50 years. We focus on time-tested
excellence, not the latest trends.*

FAQ

With any investment, you likely have questions. I'm here for you!

HOW MANY WEDDINGS DO YOU FILM EACH YEAR?

We film no more than 20 weddings each year in order to give every couple the attention that they deserve.

HOW SOON SHOULD I HIRE MY VIDEOGRAPHER?

You should typically hire your videographer 12-18 months before your wedding date. The earlier you can reserve your date, the better chance you'll be sure to have us be there!

CAN WE MEET AND TALK ABOUT MY IDEAS FOR MY FILM?

Absolutely! It helps me, and even makes my job easier when I can sit down and get to know my couples and really listen to how they envision their big day!

HOW WOULD YOU DESCRIBE YOUR STYLE?

Heirlooms. That is my style. What does that mean? I want to give you an heirloom of your story, of your day. My style is to tell that story uniquely in a way that means something to you.

DO WE CHOOSE THE MUSIC?

The vast majority of wedding videographers illegally use music that is not licensed to be put into their films. I have access to a music licensing company that I can use to purchase licenses on songs. As I get to know you, I do my best to not be creatively stuck in a box with a specific song. That being said, I am up for suggestions, but in 6 years, haven't had a single couple ask for a different song than the one I picked out.

HOW DO WE PICK A COLLECTION?

I honestly will never sell you anything you don't need. But, I won't let the day happen without you knowing fully that you are getting everything you need. I will help you see what is important, and what isn't.

ARE YOU LICENSED/INSURED?

Yes! Simply put, I am covered. You would be surprised at how many people go buy a camera and call themselves "professionals."

HOW MANY FILMMAKERS WILL BE PRESENT AT MY WEDDING?

I custom build a lot of collections for my couples, but most of the time, it is just me!

“I have no idea how my wedding day would have been without Colin Hurst Films. Our film reflects our story in such a personal way. They’re truly the best at what they do. Thanks Colin!”
