

Shooting weddings is my passion and telling the story of your wedding through beautiful, artistically created photos is what I love to do. With an eye for detail, a love of people and care and integrity in all aspects of my work, it is my desire to make your wedding photography dreams come true! Vision, attention, creativity, communication and caring go into every aspect of your wedding from start to finish....the pre-wedding consultation and arrangements, the day of shooting your wedding, to all the editing, design and printing of your photos into custom albums and prints as final works of art.

I offer affordable wedding prices and packages that can be customized to fit your needs and budget. Call 203-405-3329 for a personalized wedding consultation.
