Meet Christol!

- Christol does over 100 weddings a year!
- She has been in the wedding industry for over 16 years.
- She owns a salon, has done work for magazines and TV, worked NYFW with Ted Gibson and in her spare time does body building!

General Price Guidelines:

- Hair and makeup are separate services for us! (If you got both it would count as 2!) Each service is \$100.
- The price of all packages and services does include a FREE trial for the bride as well.
- If you require or request an assistant there is a \$400 fee! (over 12 services or a short timeline) *We reserve the right to require an assistant based on timelines.

Travel Fee:

- If you have under 8 services, there is a travel fee. You and your bridal party may come to the salon for no additional cost!

How do I secure my date?

- The Non-refundable deposit is \$200 and if you need an assistant that is also due at the time of booking! That can be paid via venmo (Christol-Kratzer) or I can send a square invoice that can be paid with a credit card via email! This and the contract is due at the time of booking for the date to be saved!

Start time of services:

- **There is no guarantee for starting times for our services**, as Christol will create a timeline closer to the day of the event. If you are interested in booking Christol for the whole day, we would be happy to send over that pricing! If you change the end time after you book, we may not be able to accommodate all requested services.
