

“Where science meets *sophistication.*”

Wedding Ceremonies & Receptions

Birch Aquarium at Scripps is situated on a spectacular site overlooking the Pacific Ocean. This unique facility presents undersea creatures in realistic habitats, and allows visitors to experience the frontiers of marine science through hands-on museum exhibits.

This beautiful venue results in memorable events for conventions and corporations; professional, academic, and social organizations; and family occasions. The aquarium is conveniently located near La Jolla Shores, within easy access of major freeways. Whether it is an elegant wedding ceremony or a wedding reception, the aquarium is the ideal location.
