An all night affair ...

If you're looking for a more pampered experience, Top Knot provides services past the morning of getting ready time. I am happy to stay with you and your bridal party throughout the day or into the evening. This is a great option for brides getting married outdoors, on the beach, or near the water. (Think Wind) I will have you and your ladies looking perfect from first look to first dance. Top Knot hairstyles are well known to last long into the night, and usually well into the next morning. But sometimes nature is misbehaving and little touch ups are needed. With my TK Pampered Bride Package, I will travel with you and your party through first look photos, to your venue and then slip out just before your first dance. I will be there ready for hair touch ups for anyone who has had their hair done with me and my staff the morning of.

These prices are in addition to the initial day of prices listed above and the timeline for them begins after the morning of "getting ready time" that we set ahead of schedule.

3 hours : \$150.00
