ABOUT ME

I believe deeply in power of marriage, and it is a great honor to helping my clients with their vision for their wedding day. I will guide you through choosing flowers that captures your mood and feeling and tell a story and create cherished memories for years to come. Garden roses, Hellebores, Hydrangea, Peony, Foxglove, Tulips, Ranunculus, Anemone, Sweet peas, Calla lily, Dahlia, Hyacinths, Smilax and Jasmine vine are among my favorites which are framework of my style.

Wedding by flora is an affiliate of ultimate floral designs which is a full-service floral design firm focused on providing floral couture art since 2005. We are a luxury flower shop and celebrate power of flowers through our artistic distinctive style that is fresh, fashion forward and originated with highest quality from Holland and around the world. We specialize in organic, garden-inspired floral design and honored to offer expert advice and connect you with the best of best in photography, day of coordination and wedding planners which guide you through your special events. We listen to your needs and work together to capture your desired wedding floral vision. From logistical management to full installation set-up and teardown, our services ensure that you will be able to relax, have fun during the planning process and most importantly, feel like a guest and fully enjoy your wedding day. It is great honor to help my clients with their vision for their wedding day.
