# HEY HEY HEY! I'M SYDNEY JAI.

A WEDDING & LIFESTYLE PHOTOGRAPHER  
BASED OUT OF SONOMA COUNTY, CALIF.

nice to meet you.

You can call me Syd! (everyone does!)

I am most known for being the loud, friendly, and outgoing horse girl, and it's 100% accurate! Living the life in beautiful wine country of Sonoma County with my boyfriend and horses.

I have been doing photography since I was in high school and was beyond grateful to have an art teacher who saw my passion and allowed me to really explore my styles. Fast forward to now, my couples really set fire to my soul and make me feel truly grateful to have the opportunity to capture such incredible moments for them

I am the definition of an outdoor enthusiast. You can find me riding my horses, hiking any mountain to find the best hidden lake to swim in, and chasing the dreamiest of sunsets. I am a huge animal lover, I'll say hi to your pup before you (sorry in advance lol) and an #agadvocate always trying to support local and small family farms and ranchers.

I love making new friends, you could say I'm very outgoing haha so please feel to reach out to me anytime!! We'll probably become real life friends if you do!

xo Syd

# “SYDNEY WAS OUR DREAM PHOTOGRAPHER FROM THE BEGINNING!

Sydney was our dream photographer from the beginning! When I decided to plan a surprise proposal for my girlfriend (now fiancé! ) I knew that I needed to find a photographer that was both friendly and open to working with LGBTQ+ couples and Sydney was just that and more. Throughout the entirety of the planning process, Sydney showed both enthusiasm for our love story and dedication to making sure that our proposal shoot was literally perfect (which it was!!). Professionally speaking, her response time, punctuality, and quality of work are all outstanding! And even besides that, she has a genuine passion for capturing people's love that shows through in all that she does. I honestly cannot say enough good things about her. My fiancé and I are definitely planning on asking her to do the photography for our wedding as well, when the time comes. ♥

# frequently asked.

## *when will I receive my photos?*

you'll receive a sneak peek of a few photos within 24- 48 hours of your day (I know you're anxious to 'gram!). for engagements, photos are delivered within 2-3 weeks. weddings are delivered within 6-8 weeks.

## *do we need an engagement session?*

this is up to you, but I totally recommend one for a few reasons! First, my style of photography works best when we've gotten to know each other. an engagement sesh is the perfect time for us to hang out & spend time together before your day! it's also a great way to get comfortable in front of the camera, and practice makes perfect. it's totally natural to feel a little bit nervous/awkward when you're not used to having your photo taken, but your engagement session will make you two pros by the time the wedding rolls around!

## *how many images are included?*

you can expect to receive 50-75 final hand-edited images per hour of coverage! after your wedding day, I'll remove any photos you wouldn't want or need (people blinking, blurry, etc) and edit & deliver the rest! don't worry, I won't withhold any images I think you'll want.

## *do you give us the raw photos?*

nope! I don't send any un-edited/raw files! most of the magic happens during the editing process, so without that step your photos are only halfway done!

## *why include a 2nd photog?*

while I'm confident in my ability to shoot all of my weddings solo, I recommend second photographers for larger weddings, or when couples are getting ready separately and the timeline doesn't allow me to be with them both. they can provide another perspective to your day and an alternate angle of every situation! we can chat more about this option on a consultation call.

# let's do this!

*ready to make it official?*

First things first, we will jump on a call and make sure to get all of the details to make your day absolutely perfect. During this call we will create a package that is customized to meet your exact needs to ensure everything you want photography wise, you get.

After we get your package set up and dialed in we will move forward with contract signing and collecting the 20% retainer to lock in your date!
