

MATTIE WEZAH

PHOTOGRAPHY

Welcome! I'm Mattie, and I believe this is the beginning of something good!

I believe wedding photography is done best through relationship. I'm a photographer, but I'm also a wife, momma, nonprofit director and someone who truly believes God gave me this job so my passions have purpose. My role isn't just to deliver images but to encourage and support you as I tell your story!

From a poll of hundreds of brides, this was their greatest fear: "What if I don't love my photos? I only have one chance at this!" It's a valid fear. After photographing beautiful weddings for Mattie Wezah couples, I can tell you that you're in good hands... it's about more than booking a vendor - it's about a joyful experience and genuine, timeless images of your day.

What's included in my full wedding experience and why:

8 hours coverage

Eight hours is perfect to capture the full story of a traditional wedding day.

engagement session

I include a complimentary engagement session, because this is our opportunity to get to know each other and empowers you to feel comfortable in front of the camera.

second photographer

My husband, Zeko, assists me on your wedding day and is a second photographer during the ceremony.

This package starts at \$3,000.

Email mattie@mattiewezah.com and let's connect today! THANK YOU & congratulations on your engagement!!! <3

PS - 8 hours just isn't right for you? I offer elopements and custom packages also. Here are a few popular options:

elopements

I want a little more

I recommend getting all of the following

Family Formals : 45 minutes

Extra Portrait Time: As much time as you'll give me –
the light is prettiest the hour before sunset!
