FREQUENTLY ASKED QUESTIONS

WHAT IS YOUR STYLE OF PHOTOGRAPHY?

Our photography style is journalistic with lifestyle and editorial nuances. Our innovative techniques paired with our goofy personality will allow us to capture the authentic, raw emotion of your wedding day.

CAN YOU HOLD THE DATE FOR ME?

Due to the restricted number of weddings we photograph each year, bookings are done on a first-come, first-serve basis. The best way to secure your date is by signing the contract and submitting the deposit.

HOW DO WE GET THE IMAGES AND ARE THEY ALL EDITED BEFORE WE SEE THEM?

The images will be delivered to you after they have all been edited. These images will include all of the photos that were taken on your wedding day, with the exclusion of unflattering and unusable photos.

HOW LONG DOES IT TAKE TO GET OUR IMAGES?

Your final gallery will be uploaded to the portfolio section of our website, accessible to only you and those you choose to share your link with. These images will be available approximately eight weeks following the day of your wedding.

DO YOU TRAVEL FOR PHOTOGRAPHY?

Of course! We love to travel and capture love in different parts of the world

THANK YOU
