Qs & As

Q- Do you offer tailored packages?

A- Yes, while we have fixed reasonably priced packages, we also offer tailored packages to suit every budget.

Q- Do you do re-edits?

A- Yes, we do. We offer one re-edit included in all packages. If more re-edits are required, then there will be a charge. The cost will be determined by the size of the request.

Q- Can I choose my own music?

A- Yes, you can. However, for the 5-minute highlight reel (for social media) the music must be copy right free.

Q- Do you offer finance or easy payment plans?

A- Yes, we do. We can offer you a 12-month finance or six equal monthly payments (interest free).

Q- Do we get a contract to sign?

A- Yes, you do.

Q- How much deposit do we need to put down to secure our bookings?

A- 50% of the total invoice.

Q- Do you provide raw footage?

A- No, we don't. The format in which we film, will be of no use to you anyway. Before we deliver the final video, the raw footage must be decoded, color graded, stabilized, color corrected, synchronized and much more. For this reason, it will be very time consuming and costly to deliver the raw footage.
