WEDDING VIDEO PRICING

BASE PACKAGE

\$1,200

- 5-7 Minute Highlight Film

Our standard 5-7 minute highlight film is a handcrafted video that captures the emotion of your wedding day.

- Full Ceremony Video

This video is a full recording of your entire ceremony shot with at least 2 camera angles and edited together for a seamless view of the most important part of your day.

- Full Reception Events Video

From toasts to dancing this reception video has it all! This is all compiled into a video to relive all the fun!

- Next Day Teaser Video

Because you are still on a high from your wedding day and want to relive it again we will include a little teaser video to enjoy.

- Digital Delivery of Films

After your films are complete a digital link to the files will be shared. You are welcome to download these files for your keepsakes. If you are wanting a physical copy a DVD and USB package can be added.

- Personal Online Film Page

We will host the finished highlight film on your own private page of our website so it is easy to share with family and friends.

ADD ONS

- Travel

Travel within 1 hour of Lewiston at no charge.

Boise \$500

McCall/Cascade \$500

Coeur d'Alene/Spokane \$400

We are willing to travel all over the world so contact us for a custom travel charge outside of the locations above.

- Guest Well Wishes \$200

It is easy to forget who was all at your wedding but this way your guests can wish you well even if you didn't make it around to say hello to everyone.

- Our Love Story \$500

A story of how you met or why you fell in love. Think of an engagement photoshoot but in a video to show at your wedding, online or to your kids.

- Personalized DVDs \$100

This will give you a hands-on keepsake of 3 personalized DVDs and Cases.

- Personalized USB and Box \$100

Another way to get a hands-on keepsake is to have a personalized USB and box to have each video file for easy sharing.
