I'm sure your mind is racing with all that needs to be done! It can be an exciting but overwhelming time. Our goal is to make this process as simple as possible for you! This day is very important and you deserve beautiful images! My goal is to not only capture beautiful moments but to allow your personality to shine through them!

One way we ensure that our couples enjoy the experience is by getting to know you! (Engagement sessions are a big help with this and are included in most of our wedding collections.) You'll be a pro in front of the camera before the wedding day and we can get to know each other better! We'd love to grab a cup of coffee and chat about all your plans for the big day!

From classic to western weddings, I could be your go to gal! Home is western South Dakota on a fourth generation ranch, between the Badlands and the Black Hills. I graduated from Lake Area Tech in 2015 with a degree in Photography and Business.

When I'm not photographing weddings, family or senior sessions in the summer months, you can find me at The Stables at Palmer Gulch, at the Mt. Rushmore KOA, where I photograph and sell photos to tourists riding the trails horseback.

Maysa and her team did such an amazing job capturing our special day as well as our engagement session! I've known Maysa and her family since birth and they are such amazing, caring, beautiful people. So it was an easy decision for us to have her be the one to capture our wedding day! She and her team were such great sports and weathered the cold temperatures and the snow to get the perfect pictures for our outdoor fall wedding, as well as meeting early on a nicer day to get some of the detail shots we didn't have time for because of the weather. We couldn't be happier with the breathtaking pictures she gave us!!

Maysa & Tammy were a fantastic pair! Maysa was willing to take our ideas and enhance the quality and creativeness with her own skill set to make our photographs unforgettable. Patient, flexible, and adaptable! We are impressed and thankful! We LOVED working with them and will continue to work with them in the future!

Maysa, Tammy and team were absolutely wonderful to work with for our engagement photos and wedding. Admittedly my wife did most of our wedding planning, but once we selected Maysa and How Eye See It Photography, the stress of knowing whether or not we'll have great photos from this once-in-a-lifetime event was gone. Come wedding day they were again all over it, thinking of the details that both Amanda Schroeder and I hadn't even considered. We can't say enough good things about How Eye See It Photography and strongly encourage couples to allow Maysa and team to capture their journey to "I do"

Our engagement session was an absolute blast. Maysa and her entire family made the experience one we will never forget. We could not be happier with our photos! We can't wait for Maysa and her team to be part of our wedding day.

Maysa and Tammy were amazing to work with! My fiancé and I were a little nervous for our engagement shoot but they helped calm those nerves and made it a lot of fun! Maysa is so talented and captures natural beauty in all her photos. We were extremely happy with how everything turned out and we cannot wait for her to shoot our wedding day!

Maysa did an awesome job on our wedding photos! We received so many different shots in our gallery, and we were so pleased with her work! She went out of her way to make sure we received the photos that we wanted and was so easy to work with!
