“

No place is boring, if you've had a good night's sleep and have a pocket full of unexposed film.

”

-Robert Adams

I'm not so concerned about where you choose to have your event. Don't get me wrong, styling and decor are nice but **I won't be focusing my lens so much on capturing the way things look but rather the way things feel.** After all, the feeling is what will last in your memory.
