“Sarah is magical! Warm, inviting - and deeply thorough in her process. She took the time to know us as a couple, and made our wedding everything it could be, and more. If you're looking for a true professional - someone unafraid to challenge your notion of marriage, commitment, and the systems that drive a healthy union - Sarah is unreservedly the officiant for you!

Thanks again, Sarah. We loved having you guide us through this journey, keeping us engaged/positive/playful and curious. We'll never forget it!”

“Sarah is absolutely a dream to work with! From the very beginning, it felt like we were old friends. She is professional and also personable... The process of crafting our ceremony with Sarah's guidance brought us closer as a couple- forcing us to look deeper into our relationship and ourselves. It was a very vulnerable yet beautiful experience- like falling in love all over again... Sarah has a special gift for creating the space, grounding and setting the tone for your wedding day... Just trust her!!! We had so many compliments on our ceremony, everyone kept saying it was the most beautiful and unique ceremony they've ever been to! That they were so engaged in what was happening and how eloquently our love story was told. We couldn't have found a better person to officiate our day!”

“An easy choice. Spectacular Ceremony! She was grounded, genuine, and confident. She made planning out the ceremony effortless and allowed us to easily come up with what we wanted to say. Though our wedding was just one of many that Sarah has officiated, my wife and I truly felt like our wedding was the only one that mattered to her due to her dedication and obvious love for what she does.”

"We were IMMEDIATELY blown away. She was patient, thoughtful, organized, attentive, caring... basically everything we were looking for in a wedding officiant, but SO much more... We were shocked by her careful attentiveness and presence. She KNEW what she was doing and she did it so well... My husband and I agree, the ceremony and her work was THE best part of the wedding... We have nothing but spectacular, amazing things to say about Sarah. She made our wedding ours and it was the best part of the special day."

"Sarah was the best officiant we could have imagined. She was thorough and attentive at every moment, and brought great joy to the process of creating our ceremony... She went above and beyond, was present, clear and organized at every meeting, very communicative, professional, and just a joy to work with. Sarah did an excellent job of assisting in creating the space and ceremony that best suited us, and directed and performed it to perfection."
